

A map showing the Great Chazy (Zone 2) River Water-Use Advisory Area. The area is outlined in red and follows the course of the Great Chazy River and its tributaries, including Beaver Creek. The map includes various roads such as Roxham Rd, North Star Rd, Perry Mills Rd, Glass Rd, E Service Rd, Meridan Rd, Prospect St, Elm St, South St, and Rapid Rd. It also shows landmarks like Glenwood Cemetery and elevation markers (263 ft, 250 ft, 251 ft).

Great Chazy (Zone 2) River Water-Use Advisory Area

All residents within the advisory zone have been contacted in advance and their water use needs have been accommodated.

Advisory zone public access sites are posted while the advisory is in effect.

The New York State and Vermont Departments of Health advise that the water in the advisory area **NOT BE USED** for **DRINKING, DOMESTIC USE, FISHING, SWIMMING, IRRIGATION, or LIVESTOCK WATERING** while in effect.

Citizens not located within the advisory zone are not subjected to the advisory.
