

# What is a National Wildlife Refuge?

Name: \_\_\_\_\_

Each refuge provides a home for different animals. Let's find out what kind of animals live here. Remember these are animals that live in the wild here in California. Circle what you think lives here.

<p>Dog</p> 	<p>Snow Goose</p> 	<p>Northern Pintail</p> 	<p>Hummingbird</p> 
<p>Canada Goose</p> 	<p>Black-tailed Deer</p> 	<p>Elephant</p> 	<p>Pond Turtle</p> 
<p>Bald Eagle</p> 	<p>Cow</p> 	<p>Gopher Snake</p> 	<p>Tiger</p> 
<p>Goat</p> 	<p>Mallard Duck</p> 	<p>Mosquito Fish</p> 	<p>Great Blue Heron</p> 

Pick an animal from above that lives at the refuge and learn more about it. What does it eat? What habitat does it live in?
