Based on land use classifications from the Protected Areas Database of the United States (PAD-US) v1.3 (Nov. 30, 2012), which is a product of the USGS GAP program (<http://gapanalysis.usgs.gov/PADUS>). Analysis performed using the StandardAcreageCalcs_RangePACsIPA tool of the FWS GRSB Species Report toolbox (SR_Toolbox_10_2_v13).
