These data are the result of running the shapefile "GrSG_BLM_SMA_20150505_with_states_OccRange_UnitName" (modified version of layer supplied by BLM on April 7, 2015) through the Population Index Summary tool (developed by R6 Bismarck Field Office and run by him on May 22, 2015) and summarizing on the "MZ" and "Owner" fields. "Owner" is a reclassification of the "ADMIN_AGEN" field (originally the ADMIN_AGENCY_CODE field in the SMA layer) as follows:

BLM = BLM

USFS = FS

Tribal = BIA

State = ST, LG

Private = PVT, UND

OTHER_FED = ARMY, BOR, BPA, COE, DOD, DOE, FAA, FWS, GSA, NPS, USDA

es_MZ_intersect"
