Pollinator Palooza

Pollinator Week

Celebrate all week
June 20th – 26th,
2022

Tamarac National Wildlife Refuge

Join Ranger James at the Visitor Center for a walk around the pollinator garden at 1:00pm before the weekly 2:00pm Sunday Movie on pollinators.

Learn about the monarch life cycle, bee identification, growing pollinator gardens, pollinators and farms, as well as pollinators and public lands. What can you do to give back to pollinators?

Free pollinator posters, bee hats, stickers, and more!

The pollinator information all day. Additional handouts will be available in the visitor center all week.
