CAREER DISCOVERY INTERNSHIP PROGRAM
GUAM NATIONAL WILDLIFE REFUGE
RITIDIAN UNIT
MAY 22 - AUGUST 20, 2023

INTERNSHIP OVERVIEW

The Guam National Wildlife Refuge will host one intern for a 13-week paid internship under the Career Discovery Internship Program (CDIP). The summer intern will gain a well-rounded, hands-on experience in visitor services, habitat restoration, and refuge operations while networking with Guam NWR's visitor community and agency partners.

POSITION DUTIES:

- Assist visitors and other administrative work at the Nature Center;
- Support special events, volunteer activities, and/or field trips for local summer camp programs;
- Assist the Refuge bio-tech with biological programs, such as sea turtle nesting inventories and habitat restoration projects;
- Support trail maintenance or other maintenance projects as needed;
- Conduct public outreach activities on and off-site to promote awareness of USFWS' mission and responsible visitation to the Guam NWR;
- Conduct/assist with interpretive tours about the cultural and biological significance of Guam

DEADLINE TO APPLY: SUNDAY, MARCH 5, 2023
