

Wichita Mountains *Wildlife Refuge*

Welcome to Wichita Mountains Wildlife Refuge

Rising above the plains of Oklahoma, the Wichita Mountains are a testament to the strength of ancient granite mountains. This unconquerable stone defeated the plow protecting one of the last remnants of the mixed grass prairie and providing habitat for bison, elk, white-tailed deer, and a variety of other mammals, birds, reptiles, amphibians, and fish. From birding and biking, to hiking and hunting, the diversity of the landscape within the Public Use Area presents ample opportunities for recreation.

Wichita Mountains Wildlife Refuge is part of a vast National Wildlife Refuge System administered by the U.S. Fish and Wildlife Service to conserve and protect wildlife and habitat for the American public. Established in 1901, it is one of the oldest, most prestigious national wildlife refuges in America. Encompassing 59,020 acres (about 90 square miles), the refuge manages 22,400 acres for public use, 8,570 acres of Wilderness, and 28,050 acres for special use to protect animals and their habitats from disturbance. Help protect your public lands and this priceless ecological heritage.

Hiking and Picnicking

- Hiking and picnicking are limited to daylight hours.
- Group size limitations are listed as follows:
 - » 8 people or less on the Mt. Scott Roadway.
 - » 15 people or less in the Charon’s Garden Wilderness Area.
 - » 30 people or less in Dog Run Hollow/Lost Lake/Boulder area.
- There is no group size limit east of SH 115 except for the Mt. Scott Roadway.

Camping

- Camping is allowed only in designated areas.
- All camping requires a reservation made through Recreation.gov
 - » Doris Campground (Modern RV and tent sites)
 - » Fawn Creek Youth Campground (Designated Youth Groups Only)
 - » Charons Garden Wilderness Area (Primitive Backpack Camping)
- Fires are allowed only in provided fire rings and grills of picnic/camping areas.
- Fires must be attended at all times and completely extinguished before leaving.
- Dead, downed wood may be gathered (no saws) for use only in designated areas.

Fishing and Boating

- Fishing is permitted in accordance with state and federal regulations on all refuge lakes and streams in the public use area (see map).
- Fish may be taken only with poles and lines or rods and reels.
- Anglers may use tube-type floaters, life jackets, or buoyant vests.
- Wading is permitted when fishing; swimming and snorkeling are prohibited.
- Taking bait, frogs, or turtles from the refuge is prohibited.
- Fishing piers are available near the Environmental Education Center and Lake Elmer Thomas.
- Non-motorized boats, paddleboards, and boats less than 14’ with electric trolling motors are permitted only on Jed Johnson, Rush, Quanah Parker, and French Lakes.
- Operators of motorized boats must use designated boat ramps.
- Motorized boats and sailboats are permitted on Lake Elmer Thomas, but there is a no-wake rule across the entire surface of the lake.
- No fishing from roadway bridges.

General Regulations

- Observe posted speed limits, signs, and state traffic laws.
- Motorized vehicles are allowed only on paved roads and parking areas, and in hardened, dirt pullouts and parking lots. Parking on the grass is prohibited.
- Parking in the roadway or obstructing traffic is prohibited.
- Unless fishing, all parking areas, pullouts, refuge side roads, and trailheads close sunset to sunrise. Main roads remain open for travel at any time; thru traffic only.
- Night time activities other than fishing are prohibited without a special use permit.
- Bicycles are allowed only on paved roads, the Mt. Scott Service Road, the Lake Elmer Thomas Service Road, and the LETRA Trail.
- Pets must be under direct control on a leash less than 10 feet long at all times.
- Pets must be provided sufficient resources, care and protection from the environment to maintain their health when visiting the refuge. Do not leave pets unattended in vehicles or abandon pets on the refuge.

- Alcoholic beverages, drugs, and drug paraphernalia are prohibited.
- Fireworks are prohibited.
- ATVs and UTVs are prohibited.
- Drones, remote controlled aircraft, and unmanned aerial vehicles are prohibited.
- Using skates, skateboards, longboards, luge boards, and other similar devices is prohibited.
- The installation, replacement, or removal of climbing anchors/bolts is prohibited.
- Rock sports are allowed throughout the Public Use Area during daylight hours, with the notable exception of a prohibition against rappelling in the Narrows.
- All caves, sinkholes, tunnels, and mines are closed to access to prevent the spread of White-nose syndrome.
- The operation or use of audio devices including radios or other noise devices, so as to cause disturbance of wildlife or unreasonable disturbance to others in the vicinity, is prohibited.
- Collection of plants, rocks, animals, minerals, bones, and antlers is prohibited.
- Use of metal detectors or any activities that involve searching for, collecting or disturbing artifacts or treasures is prohibited.
- Special Use Permits are required for all special events and commercial activities, including but not limited to: night time activities, guided tours, filming, commercial photography, scuba diving instruction, fishing tournaments, and rock climbing classes.
- Persons possessing, transporting, or carrying firearms on national wildlife refuges must comply with all provisions of state and local laws. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).
- Individuals that participate in hunting and fishing activities or who have a special use permit for collection on the refuge are subject to inspection of all harvested resources, licenses, permits, vehicles, containers, packs, bags etc., that are used in support of these permitted activities.
- Hunting is permitted only in accordance with state and refuge regulations as listed in the Hunting Tear Sheet.
