Summer Explorers Biology Camp *Lite*

*For kids
entering
5th & 6th
grades*

June 21-23, 2022

NATIONAL
WILDLIFE
REFUGE SYSTEM

Are you looking for a summer adventure?

An infinite number of discoveries await you at the Prairie Wetlands Learning Center. Come explore the biology of prairies and wetlands, and have fun at the same time!

Who can attend?

Students entering 5th or 6th grade in Fall 2022 who are curious and enjoy learning about nature and being in nature.

When is the camp?

Tuesday, June 21, through Thursday, June 23. Full attendance is needed all 3 days.
Hours: 9:00 am – 12 noon each day.

Where is this day camp?

The Summer Explorers Biology Camp is held at the Prairie Wetlands Learning Center in Fergus Falls, MN. The PWLC includes a barn, visitor center, 4 miles of trails, 330 acres of prairie and 28 wetlands. It will take place entirely outdoors.

Why should you attend the Summer Explorers Biology Camp? *Lite*

- You will make exciting new discoveries outdoors each morning!
- Meet other people who love to be outside and learn about wildlife.
- Enjoy three mornings of fun – you won't even realize you're learning.

CAMP INSTRUCTORS

Fergus Falls School District teacher Mona Davis and U.S. Fish and Wildlife Service environmental educator Molly Stoddard.

This camp is not just a learning opportunity for students! Visiting educators may be observing the camp to learn techniques for teaching outdoors.
