

Foreign Species Listing Workplan

Six-year Workplan (September 2021 version)

Key to action types:

12M – 12-month finding on a petition to list a species. If listing is warranted, we generally intend to proceed with a concurrent proposed listing rule.

pL – for candidate species already determined to warrant listing, confirm whether listing continues to be warranted, and if so, propose for listing.

Table 1. Schedule for addressing listing decisions on foreign (non-U.S.) species.
