

# National Wildlife Refuges Visitor Center - Take a Walk on the Wild Side!

Download map to your phone (for use in Avenza PDF)  
<https://goo.gl/XZA6cv>

- Trails have been cleared of tripping hazards, but have a natural surface. Intersections are blazed with colored paint.
- **Fire Breaks** are not maintained as trails, They are cleared to allow for safe prescribed burning.
- Exploring **Fire Breaks** or off-trails is encouraged. Enjoy the outdoors!
