

National Domestic Listing Workplan

FY22-27 Workplan (March 2022 Version)

Key to Action Types: 12M/PLPCH – 12-month finding on a petition to list a species. If listing is warranted, we generally intend to proceed with a concurrent proposed listing rule and proposed critical habitat designation, if critical habitat is prudent and determinable.

Discretionary Status Review/PLPCH – Status review undertaken by discretion of the Service. Results of the review may be to propose listing, make a species a candidate for listing, provide notice of a not warranted candidate assessment, or other action as appropriate.

PLPCH: For species that are already candidates for listing, a proposed listing determination would either propose the species for listing or provide notice of a not warranted finding. We generally intend to propose critical habitat designations concurrent with proposed listing rules, to the extent

PCH: For species that are already listed, a proposed critical habitat rule will propose to designate critical habitat for the species, if we find critical habitat is prudent.

rPCH: Revised proposed critical habitat rule.

Bolded entries have court-ordered dates associated with them.

Package Name	Common Name	Action Type	Lead FWS Legacy Region	DOI Unified Region	Priority Bin Ranking/LPN	Fiscal Year	Range	Scientific Name
	Columbia oregonian snail	12M/PLPCH	R1	9	5	FY22	OR, WA	<i>Cryptomastix hendersoni</i>
	evening fieldslug	12M/PLPCH	R1	9	5	FY22	OR, WA	<i>Deroceras hesperium</i>
