# National Wildlife Refuge Hunting Regulations 2022-2023

**Lower Suwannee National Wildlife Refuge**  
**2022-2023 Refuge Access Permit**  
**Expires May 2023**

A current LSNWR Hunt Brochure must be signed and in possession by all adult hunters either as a hard copy or a digital copy on your phone. You are responsible for knowing everything in this brochure.

Signature

Permits are not transferable and are valid only when signed.

**NOTE:** You must: buy a Florida license or be exempt; every hunter buys a Go Outdoors Florida Refuge Hunt Permit; each hunter is responsible for everything in this regulations brochure and must carry one on their person.

## General Information

Lower Suwannee National Wildlife Refuge (LSNWR) encompasses over 53,000 acres along the Suwannee River in Dixie and Levy Counties. Over 190 miles of roads and trails provide vehicle, foot, or bicycle access to many habitat types open to a variety of public hunting and recreation opportunities.

All general Refuge regulations, mapped restrictions, and mapped designations apply unless specifically addressed in this leaflet. Please note that forest management or maintenance activities, including prescribed burns, mowing, and logging operations may occur at any time during the year. The Refuge is not responsible for damage to or theft of tree stands. The Refuge reserves the right to temporarily close roads or land areas for any management reason without prior notification.

The Annual Hunter Working Group meeting will be held at Refuge Headquarters on the third Thursday in April, at 2 pm. Please contact the Refuge Manager (703-622-3896) to attend.

The following regulations supplement Florida state hunting regulations and general regulations governing hunting on LSNWR set forth in Title 50, Code of Federal Regulations.

### Permit Requirements

Every hunter must purchase and possess a LSNWR Hunting Permit and a State of Florida Hunting License, unless otherwise exempt. A current LSNWR Hunt Brochure must be signed and in possession in hard copy or electronically by all adult hunters. Hunting permits can only be purchased through the Florida Fish and Wildlife Conservation Commission (FWC) licensing website (<https://gooutdoorsflorida.com/>; <https://myfwc.com/license/limited-entry/>), county tax office, or other outlets that sell State licenses (Permit Vendor Code is 7800). A LSNWR hunt permit will be required for all hunters, ages 16 and older, to hunt during all Refuge hunts. Youth hunters 15 and under are not required to possess a LSNWR hunt permit. Unless otherwise exempt, hunters are required to have appropriate archery, muzzleloader, deer, and turkey stamps/permits. Unless exempt, waterfowl hunters are required to have appropriate State and Federal waterfowl stamps.

Successful hunters are required to report their bag to the FWC's Harvest Reporting System within 24 hours of harvest. See the FWC's Florida Hunting Regulations handbook, available at <https://myfwc.com/media/21998/deer-harvest-log.pdf>, for deer harvest reporting instructions. These reports allow us to better determine population health, numbers, and stability. NOTE: Absence of accurate and timely bag reports will result in shortened seasons or cancelled hunts.

## General Hunting Regulations

Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of State and local law. Persons may only use (discharge) firearms in accordance with Refuge regulations.

All motorized land vehicles must be state-legal and are restricted to designated roads shown on the map. Vehicles must park so they do not block roads or gates. If gates are closed you may walk or bike in. All-terrain vehicle use (ATV/UTV, etc.) is prohibited.

Hunters (including all persons accompanying hunters) must comply with State of Florida fluorescent orange safety clothes requirements during all Refuge deer hunts except archery.

In addition to State of Florida hunter education requirements, hunters under the age of 16 must be supervised by an adult 18 years of age or older and must remain within sight and normal voice contact of the youth hunter. During Waterfowl, Small Game, and Family Hunts, one adult may supervise no more than two youth hunters. During Archery, Muzzleloader, General Gun, and Spring Turkey Hunts, the adult may supervise only one youth hunter.

Dogs may only be used as an aid to take raccoons during the raccoon night-hunting season and for waterfowl season. Otherwise, dogs must always be leashed under the direct control of the handler.

Hunters using the Refuge are subject to inspection of licenses, permits, hunting equipment, bag limits, vehicles and their contents, during compliance checks by a law officer.

Closed gates will be open one week before archery season. Temporary tree stands may be left on the Refuge starting one week before Archery Season and must be removed one day after the end of General Gun Season. Temporary tree stands may be

left on the Refuge starting one week before Wild Hog Season and must be removed one day after the end of that season. Gates will then be closed. All tree stands left on the refuge must display the hunter's hunting license number legibly written on or attached to the stand. Tree stands not in compliance may be confiscated and disposed of according to Federal Regulation.

Flagging, reflective markers, paint, litter, or pins may NOT be used for marking in any manner on refuge property. Clothes-type pins or removable clips with reflective or colored markings can be used for the temporary marking of vegetation to identify a route of travel to or from a tree stand. These pins must be removed by the end of each scheduled hunt season. Each clothes-type pin or clip must contain the hunter's hunting license number.

Hunters may enter no earlier than 1 and 1/2 hours before legal sunrise and must be out of the woods no later than 1 and 1/2 hours after legal sunset.

Special needs hunts are considered; call the Refuge to discuss such requests.

### Prohibited Actions

- All commercial activities including guiding or participating in a guided hunt are prohibited.
- Target practice or any non-hunting discharge of a weapon is prohibited.
- Use of organized drives for hunting to take or attempting to take game is prohibited.
- Marking any tree, or other Refuge feature with carving, flagging, litter, paint, or blaze is prohibited.
- Possession, intoxication, or use of alcoholic beverages is prohibited while on the Refuge.
- Camping, fires, littering, and horses are prohibited.
- Collecting or harvesting any articles of antiquity, plants, animals or parts thereof is prohibited unless specifically authorized by a Refuge permit.
- Cutting trees, removing wood or other plant matter from the Refuge is prohibited.
- Hunting or shooting from within 150-feet of Refuge roads, open to public vehicle travel, is prohibited.
- Hunting from a tree in which a metal object has been inserted is prohibited.

- Field dressing or discarding an animal carcass or parts thereof within 1000 feet of any developed public recreation area, game check station, gate, or within 100 feet of a road or trail, open to the public, is prohibited. Dumping of game carcasses is prohibited.
- Construction of permanent blinds or stands is prohibited.
- The placing of, or hunting with the aid of ingestible attractant (feed, bait, salt, oil) is prohibited.
- Driving any vehicle or boat on marshes or emergent aquatic vegetation, or through the forest off of public driving roads is prohibited.

## Specific Hunt Regulations

### HOGS: NO SIZE OR BAG LIMIT FOR HOGS

Shoot them all; take hogs during any season except Spring Turkey and Waterfowl. In designated Archery Only Areas (see map), only bows and crossbows allowed. Coyote may be taken during Archery, Muzzleloader, General Gun, and Family Hunt seasons. There is no taking of Swamp or Skunk Apes.

### Legal Deer

Legal deer must have an antler with at least 2 points, 1 inch or more in length. Hunters 16 years of age and older may not take, during any season or by any method, an antlered deer not meeting this criterion. Youth 15-years-old and younger may harvest 1 deer annually not meeting antler criteria but having at least 1 antler 5 inches or more in length. Antlerless deer are deer that do not have antlers or have antlers less than 5 inches in length. It is illegal to take spotted fawns.

### Waterfowl

State waterfowl season; ducks and coots only. Decoys and boats must be removed daily. Hunters must use and possess only shells containing non-toxic shot; <https://myfwc.com/hunting/regulations/birds/>.

### Archery

September 17 - October 16, 2022: Archery and crossbow equipment allowed. Legal to take antlered or antlerless deer, wild hog, coyote, gray squirrel, rabbit, armadillo, opossum, and raccoon. Archery hunters can hunt all refuge lands open to hunting and during any season. Archery Only Areas (see map) are open during all hunts with approved archery equipment only.

### Muzzleloader

October 22 – 30, 2022: muzzleloader firearms and archery equipment only; legal to take antlered deer and hogs.

### General Gun (GG)
