

Savannah National Wildlife Refuge

To Hardeeville, SC

To Savannah, GA

Visitor Center

Do not feed alligators!
It is against state and federal law to feed or harass this reptile in any way. When fed, alligators lose their fear of humans and become aggressive, expecting handouts from every person they see. These nuisance alligators must be removed. Alligators are an important part of the refuge's natural environment, so please enjoy watching them from a distance.
