

## Kodiak National Wildlife Refuge

# Salmon Camp 2024

The Kodiak Refuge uses a lottery process in an effort to make Salmon Camp admission as equitable as possible for all those interested. Please fill out one registration form per child and select one session. If either session for their fall grade works, select your top pick and note that the other session is ok. To enter the registration lottery, **submit your forms by March 12<sup>th</sup>**. After the lottery, we will contact families to come in for registration to secure their spot. Any remaining spaces will then be available first come, first served. Camp fees can be waived. If families are planning to pay via the Migrant Families program, please contact that program directly.
