

## **Citizen Science Programs**

### **Project Budburst**

A National Phenology and Climate Change Field Campaign for Citizen Scientists  
[http://www.windows.ucar.edu/citizen\\_science/budburst/](http://www.windows.ucar.edu/citizen_science/budburst/)

### **Frog Listening Network**

<http://www.seaworld.org/fln/in.htm>

### **USGS North American Amphibian Monitoring Program**

<http://www.pwrc.usgs.gov/naamp/>

### **University of Florida/IFAS**

#### **Cuban Treefrog Citizen Scientist Program**

[http://ufwildlife.ifas.ufl.edu/citizen\\_sci.shtml](http://ufwildlife.ifas.ufl.edu/citizen_sci.shtml)

You can help by telling us:

How many Cuban Treefrogs have you captured and euthanized?

When and where did you catch them?

How big were they?

Have you seen any native treefrogs?

Have you noticed anything unusual that might be of interest?
