Bayou Teche National Wildlife Refuge

Bayou Teche National Wildlife Refuge, established in 2001, is located in St. Mary Parish in southeast Louisiana. The 9,028 acre refuge is composed of wet bottomland hardwoods laced with bayous and canals. The primary mission of the refuge is to preserve and manage habitat for the Louisiana black bear. Other objectives are to provide habitat for other fish and wildlife species, environmental education, and opportunities for public recreation. The refuge provides important habitat for the Louisiana black bear, a subspecies of the American black bear. It also provides excellent habitat for wading birds, neotropical songbirds, waterfowl, and reptiles and amphibians. The refuge is open year round to the public from sunrise to sunset, with seasonal restrictions in some areas. The refuge can be accessed by vehicle, foot, or boat. Wildlife observation, boating and fishing are allowed on the refuge year round except in areas closed to public access. Hunting is permitted on the refuge. Open hunting seasons are listed in this brochure.

General Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations. Hunting and fishing will be in accordance with applicable State of Louisiana regulations subject to the conditions stated below. Brochures may be obtained by mail, at the refuge headquarters, or from the refuge website.

Permits

All Refuge hunters are required to possess a signed Hunt Permit while on the Refuge. Hunt permits are free and are found on the front of this brochure. A signed hunt permit acknowledges your understanding of the regulations contained herein. **Other refuge visitors including anglers, birders and photographers do not need a refuge Permit.**

Access

The Refuge is accessible by car, truck, foot, or boat, dependent on the area to be accessed and the time of year. Marked gravel roads crossing farm fields can be used to access the Centerville, Garden City, North Bend-East, and North Bend-West units of the Refuge.

Take note of Refuge signs on roads, trails and waterways indicating vehicle type restrictions. Motorized vehicles are only allowed on specifically signed access roads; they are not allowed on trails maintained for public access

by foot. Walking trails are open February 1 - September 30. Vehicles will not exceed 25 mph when driven on the Refuge's public access roads. Use of all-terrain vehicles (ATV) is restricted to the Refuge's public access roads. ATV's are prohibited within the Refuge boundary.

Physically Challenged or Disabled Users

Physically challenged or disabled public users are encouraged to inquire at Bayou Teche NWR headquarters for available options and alternatives that may make their visit more enjoyable.

Fishing

All State of Louisiana fishing limits apply. Recreational fishing is permitted from legal sunrise until legal sunset unless specifically stated. Commercial fishing is not allowed. The use of nets, traps, or unattended lines (trot, jug, bush, etc.) is not allowed. Fishing is allowed from the shoreline and from boats in open waterways (see boating regulations).

Boating

Recreational boating is allowed in open waterways (canals and bayous). Boats with motors are not allowed on interior waterways designated for non-motorized boats only. The Franklin Unit Canals (Hanson, Wood Duck, Black Bear and Alligator) will be open to boating for motorized boats between April 15-August 31. Please be aware and courteous to paddlers and kayakers using this. This unit is open to non-motorized boats all year. All State of Louisiana boating regulations apply including, but not limited to, running lights, registration, and personal flotation devices. Boating regulations are strictly enforced. Airboat use is not permitted on the refuge.

Hiking

All hiking trails are open February 1st through September 30th. Centerville Unit trails are established on old dikes created when sugar cane drainage ditches were dug. They are minimally maintained and provide an excellent bird watching experience in a bald cypress - tupelo swamp. The Palmetto Trail, located in the Garden City Unit, is also minimally maintained and meanders through bald cypress - tupelo swamp habitat. Waterproof foot wear is recommended during the rainy season. The Garden City Boardwalk located on the Garden City Unit is open all year and is a good site to view migratory birds.

Hunting

We allow hunting In the Centerville, Garden City, Bayou Sale, North Bend East, and North Bend West Units. We do not allow hunting within 500 feet (152.4 meters) of

the Garden City parking area and boardwalk. The Bayou Sale Unit is not open for big game hunts. All hunters must complete a Daily Check Card at designated check stations. All game taken (including small game) on the refuge must be reported. Daily Check Cards are available on refuge Units and at the refuge office. The Check Card includes a "Check-in" portion that is completed then deposited in the metal box at the check station before hunting. The "Check-out" portion is completed and deposited in the metal box after hunting is completed for the day.

- Refuge Hunt Permit must be in the hunter's possession at all times while on the refuge during the permitted hunt.

- Hunters are authorized to take only species listed on the season permit. Harming or needlessly disturbing plants or other wildlife is a violation of refuge regulations.

- Youth hunter age, adult supervision age, and hunter education requirements are defined by state regulation. Youths under the age of 16 must have an adult aged 21 or older supervising them. Supervising adults shall maintain visual and voice contact with the youth at all times. The supervising adult is responsible for ensuring that youth hunters do not engage in conduct that would constitute a violation of refuge regulations.

- Hunters may enter the refuge no earlier than 4 am and must exit no later than one hour after legal sunset for that day. Waterfowl hunting must cease by 12 noon and all decoys and blinds removed from the hunting area by 1 pm. **The Franklin Unit is closed to all hunting.**

- Possession of lead shot is prohibited on the Refuge. Approved **non-toxic** shot must be used in shotguns. Possession of buckshot is allowed only during gun deer season.

- Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32). Only approved nontoxic shot may be possessed while hunting on the refuge.

- We prohibit possession or distribution of bait while in the field and hunting with the aid of bait, including any grain, salt, minerals, or any non-natural occurring food attractant on the refuge.

- Only portable deer stands may be used. Deer stands may be erected one day before the deer archery season and must be removed from the refuge within one day after

the season closes. Hunters may place only one deer stand on the refuge. Deer stands must have owners name, address, and phone number clearly printed on the stand. Stands must be placed in a non-hunting position when not in use.

- We only allow dogs to locate, point and retrieve when hunting migratory game birds. All dogs must be collared with owner's name and phone number. Dogs used for chase are not allowed on the refuge.

- We prohibit the use of any type of material used as flagging or trail markers, except reflective tacks.

- No hunting within 500 feet of the Garden City Boardwalk and associated levee trail and parking area.

Archery Deer Season

See the "Hunting Regulations" table in this brochure for dates, bag limits, areas, etc. Bowhunters are encouraged to participate in the International Bowhunters Education Programs.

Bows are permitted only during the Refuge archery season. State of Louisiana regulations governing drug tipped arrows, pods, broad head size, etc., are applicable. Longbow, compound bow, and crossbow or any bow drawn, held, or released by mechanical means will be a legal means of take during the deer archery season.

You may take feral hogs only as incidental take while participating in the refuge deer archery hunt.

Gun Deer Season - General and Youth

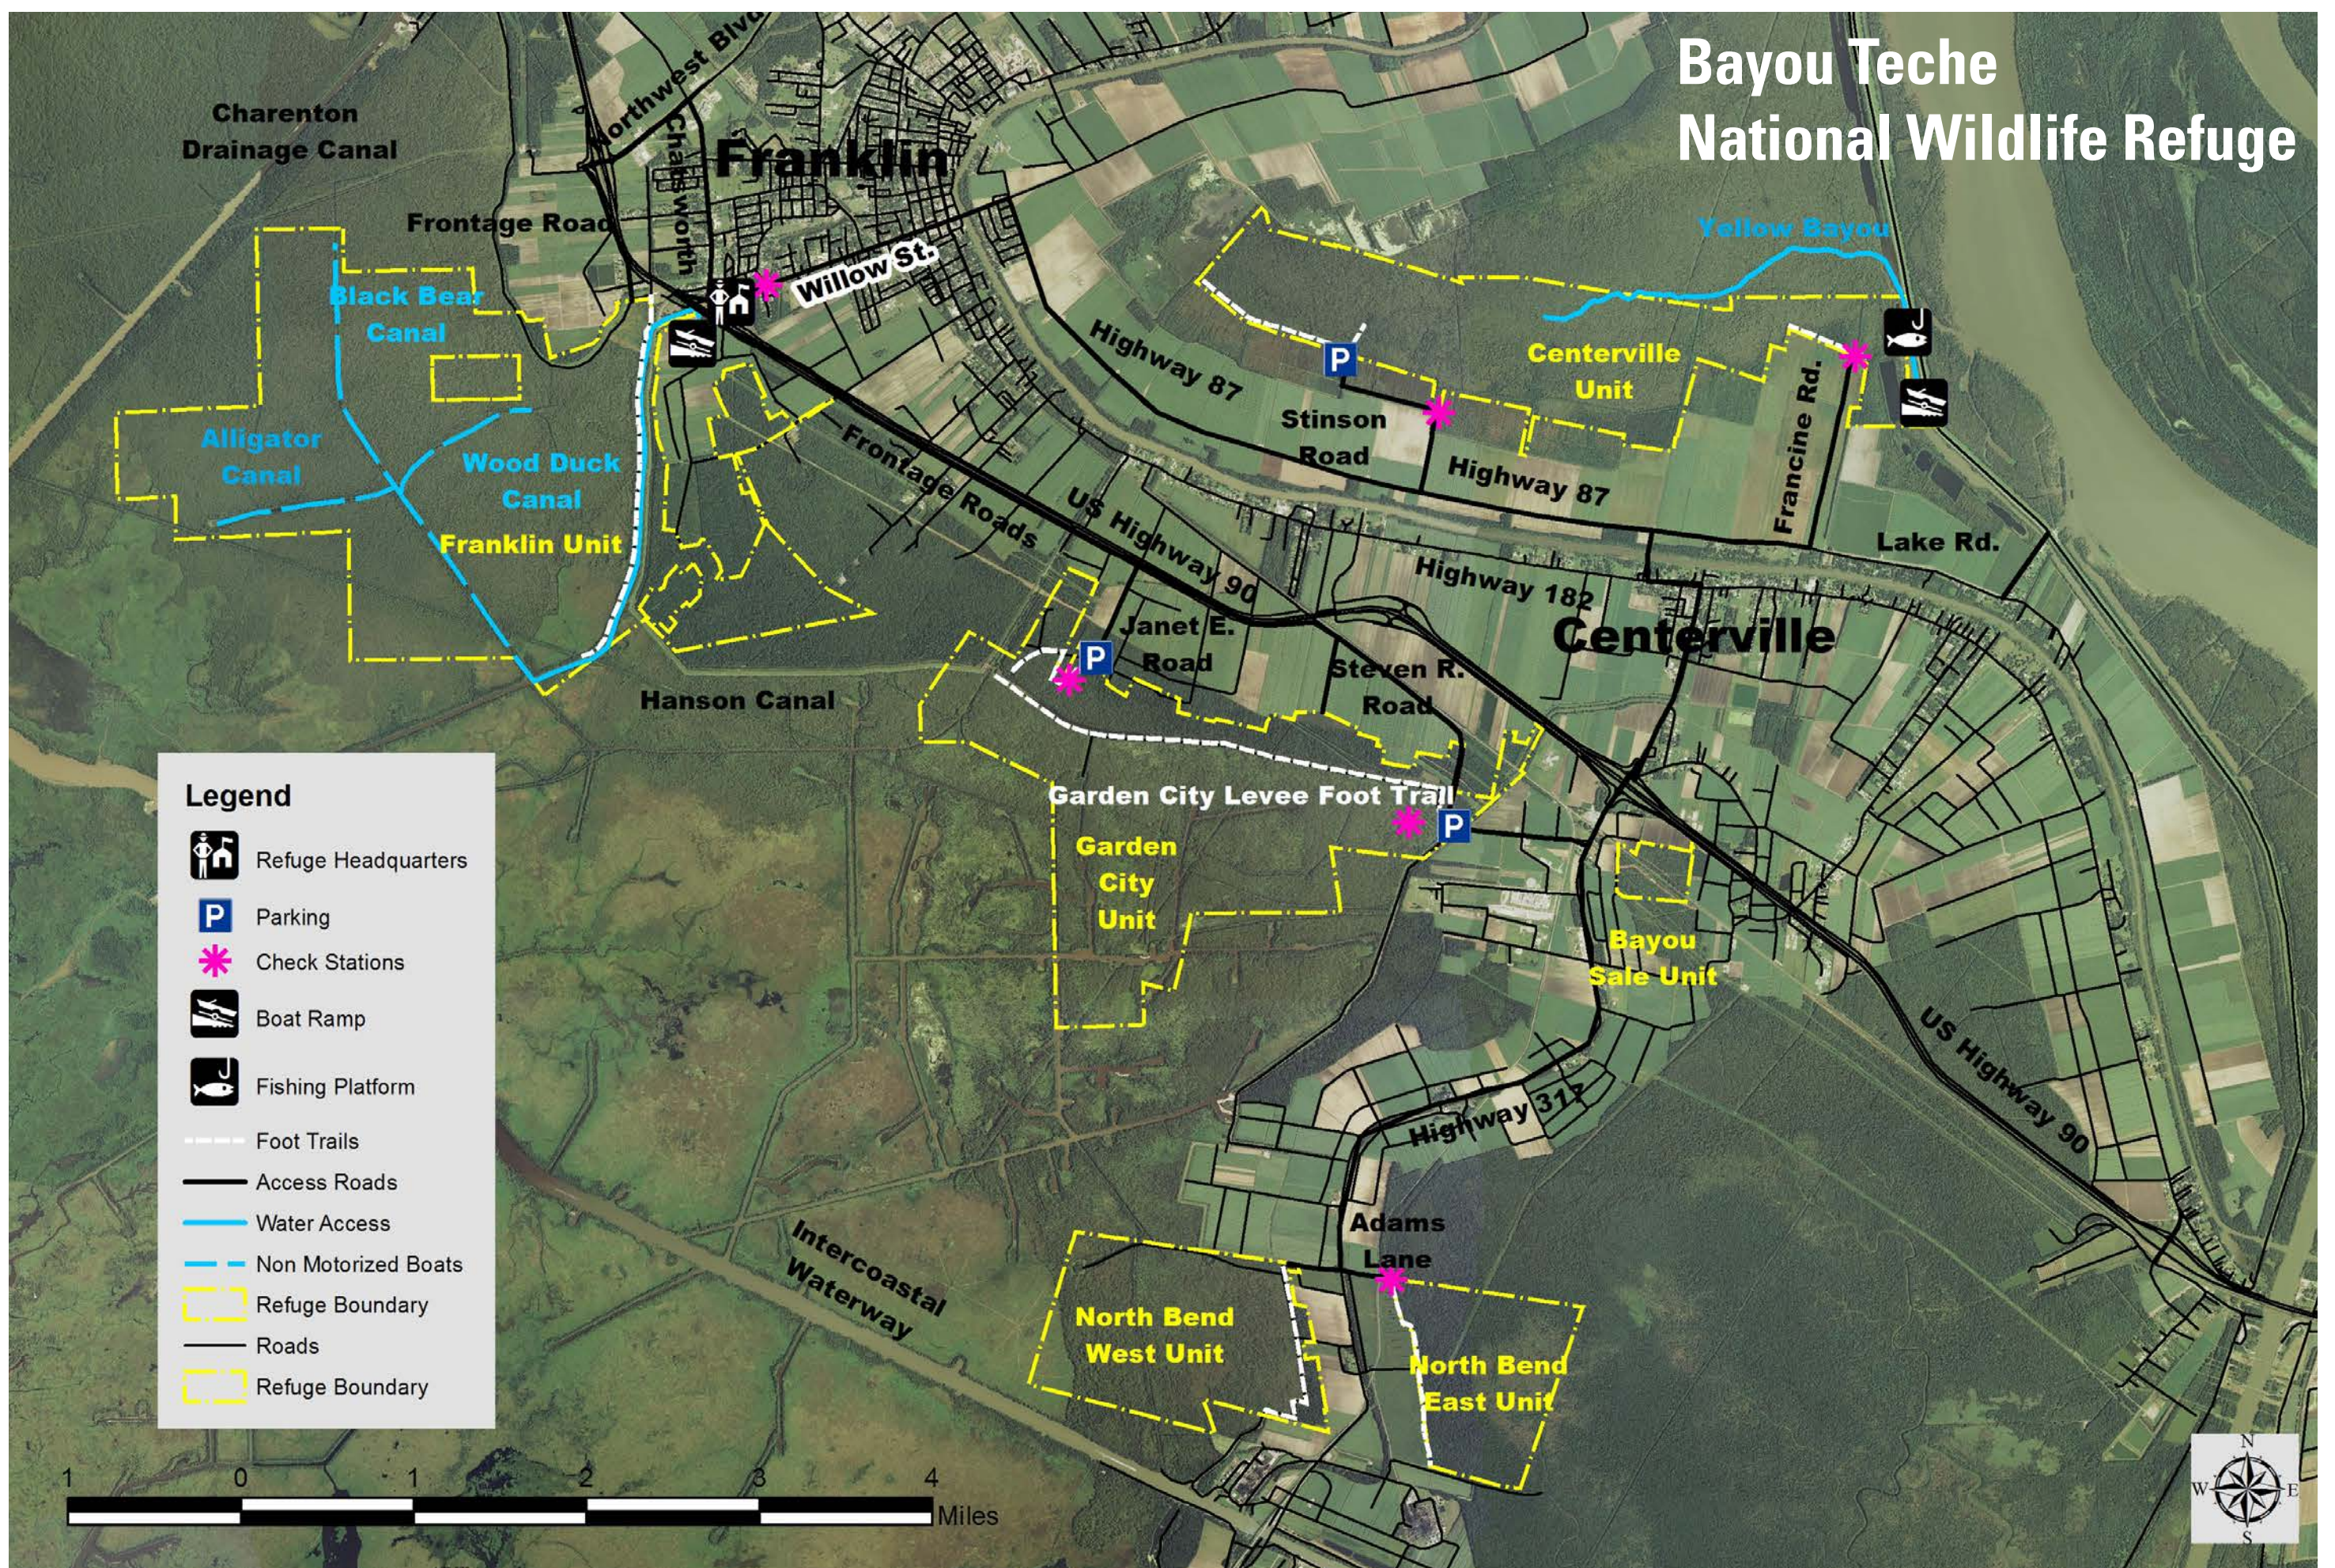

During deer gun seasons, all hunters, except waterfowl hunters, must wear and display 400 square Inches (2,580.6 square centimeters) of unbroken hunter-orange or blaze pink as the outermost layer of clothing on the chest and back and a hunter-orange or blaze pink cap. Deer hunters hunting from concealed ground blinds must display a minimum of 400 square Inches (2,580.6 square centimeters) of hunter-orange or blaze pink above or around their blinds; this must be visible from 360 degrees.

Small Game Season (squirrel and rabbit)

See the "Hunting Regulations" table in this brochure for dates, bag limits, areas, etc.

Waterfowl Season

Louisiana State Waterfowl regulations apply. Youths ages 8 to 15, with adult supervisors no younger than 21, are eligible to hunt on state youth waterfowl days. One adult can supervise no more than two youth hunters while waterfowl hunting.

Signs and Boundaries

Please respect the rights of our refuge neighbors. Become familiar with refuge boundaries and avoid trespassing on private land. Signs are useful tools in regulating the use of a public area. The wording of the sign applies to the area behind the sign. Please respect the following signs.

This sign delineates the refuge boundary. Always know the regulations before entering.

You are within the boundary of a national wildlife refuge.

All hunting and possession of any weapon is prohibited beyond this sign.

The area beyond this sign is closed to all public entry. Exceptions are stated on sign.
