Specific Hunting Regulations
- State bag limits apply unless otherwise noted. Only those species listed in this brochure may be taken.
- Areas posted with “No Hunting Zone” signs are closed to all hunting.
- Hunting from an area where a shooting lane has been cut is prohibited.
- Hunting within 150 feet of roads, trails and pipelines open to motor vehicle use (including ATV/UTV trails) is prohibited.
- A hunter born after 1968 must carry a valid Hunter Education Card. Hunters under 16 years old do not need to have a card if they are under the direct supervision (within arm’s reach) of a holder of a valid hunting license of at least 21 years of age. Youth hunters under the age of 16 who have a valid Hunter Education Card must also be supervised by an adult not less than 21 years old but must only be in sight and normal voice contact with the adult. An adult may supervise only one youth for big game hunting and up to two youths for waterfowl and small game.
- For all deer and turkey harvested on the Refuge, the hunter will immediately (prior to moving the animal) complete the hunting license information using 220 as the zone of kill and use the same number at the official state check station as zone of kill.

Deer
- Legal Buck Definition and Bag Limit: The total number of bucks that can be harvested through a combination of all Refuge Deer Hunts is one (this is not a bonus deer). Legal buck is any male deer. First deer harvested on the Refuge must be a doe and must be checked in accordance with state regulation before you can harvest a buck. Exception: Youth hunters during the Youth Modern Gun Hunt are not required to harvest a doe first. Bag limit: Total deer harvested refuge-wide is 2 deer (2 does or 1 buck and 1 doe) regardless of method.
- Deer harvested during the Quota Muzzleloader and Quota (2 does or 1 buck and 1 doe) regardless of method. Deer harvested during the Quota Muzzleloader and Quota
- Deer hunts must be at a Refuge check station.
- Deer stands may be placed on the refuge starting on the opening day of Archery Season and must be removed by January 31. Limit is one deer stand per person.
- Portable, pop-up blinds, must have 144 square inches of blaze orange or chartreuse visible from all sides of the blind during firearms Deer seasons on the Refuge.

Waterfowl
- Possession and discharge of more than 25 shot shells on persons or in vehicles is prohibited for all hunters during waterfowl hunting season.
- Waterfowl hunters must remain at their vehicle until 4 am if accessing hunting area by foot or ATV/UTV. Hunters accessing their hunting area by boat may only leave ramp in designated areas (see map).
- To possess, or take or attempt to take waterfowl with the use of, any simulated wing movement decoy or any decoy other than an artificial decoy that imitates the appearance of waterfowl: contains no moving parts or electrical components; and is not subjected to any artificial means that makes it appear to move, splash or cause ripples is prohibited during regular duck season. Exception: Manually operated “jerk strings” may be used to simulate decoy movement.

Physically Challenged Hunters
- Physically challenged users are encouraged to consult with Refuge staff at the Refuge Headquarters for available options and alternatives that may make their visit more enjoyable. Refuge Mobility Impaired Access permits are available and are required to gain special access due to disabilities.

Waterfowl Sanctuary
- This area is posted with “Area Closed” signs. The waterfowl sanctuary is closed to all public entry (including fishing and frogging) from November 15 through February 15 except during the deer modern gun quota hunt. For current and updated information see our contact information below.

Sport Fishing and Frogging
- Sport fishing, frogging and taking of crawfish for personal use are permitted in all Refuge waters in accordance with State regulations. Fishing is permitted year round. The main channel of the Ouachita River and the borrow pits along U.S. Highway 82 are open for navigation and fishing year-round (see map). Recreational fishing in the Eagle Lake and Woodland Trail ponds will be open to youth 12 and under, individuals with disabilities and seniors 65 and older.

Caution: Due to elevated levels of mercury in fish, the Arkansas Department of Health advises caution in the consumption of some species of fish from refuge waters. Call 501/661 2000 for more information.
Felsenthal National Wildlife Refuge

Felsenthal National Wildlife Refuge (NWR), established in 1975, is located in southeast Arkansas approximately eight miles west of the town of Crossett. Named for a small community located at its southwest corner; this 6,000 acre Refuge contains an abundance of wildlife resources associated with bottomland and upland habitats dominated by the Ouachita and Saline Rivers.

General Regulations

Public use regulations are designed to protect the sportman and wildlife populations. The regulations below supplement the general regulations which govern all public uses on National Wildlife Refuges as set forth in Title 50, Code of Federal Regulations. All users are permitted on the Refuge in accordance with State and Federal regulations as supplemented by the following special Refuge regulations contained herein. Individuals with fish and wildlife violations may be denied permits for any Refuge activity.

Permits

Refuge Access permits are required for all Refuge users. When signed and in your possession, the cover section of this brochure serves as your permit for all permissible Refuge activities, and acknowledges your understanding of the regulations contained in this brochure.

How to Apply for Quota Hunts

Quota Hunt permits are required in addition to the Refuge Access Permits. Permits are non-transferable and non-refundable. Applications for the Quota Deer Hunt permits will be accepted during the month of August. Applications for the Quota Turkey Hunt permits will be accepted during the month of January. All applicants are subject to a $5.00 non-refundable application fee for quota hunts. Successful applicants will be charged an additional $15.00 per permit fee.

Online Application Process

You can apply for Quota Hunts online at http://www.fws.gov/refuge/Felsenthal

Unclaimed Quota Hunt Permits:

If available, unclaimed permits may be purchased on a first come first serve basis during the two weeks prior to the scheduled Hunts. See website for more details.

Please note, submissions of any person’s name more than once for the same Hunt Type will result in disqualification.

Commercial/Special Use Activities

No permission is required to guide a guide, service outfitter, club or other organization shall provide assistance, services or equipment on the Refuge to the any other person for compensation. For the purpose of this regulation, any

fee paid or services rendered to a person for lodging, meals, club membership or similar services will be considered compensation. Violations of this regulation subjects each hunter in the set aside period in any particular season to a processing fee. Consequences for this violation must be occupied daily. All disturbances, including the use of generators, are prohibited after 10 pm. Consequences during periods of high fire danger, all open fires will be prohibited.

Fire Management

The U.S. Fish and Wildlife Service manages fire to conserve, protect and enhance fish, wildlife and plants and their habitats, while also ensuring safety and protecting our facilities and neighboring communities. Refuge fire activity can be expected year round. Felsenthal visitors are asked to be mindful of any and all fire activity while on the Refuge. All areas of the Refuge may be temporarily closed or have restricted access due to fire activity. For current and updated information see our contact information.

Outdoor Recreation Opportunities

Felsenthal visitors are encouraged to explore our natural resources by way of birding, canoeing, hiking, photography and observation. Visitors are asked to continuously strive to better provide these opportunities, please feel free to contact us for the most up-to-date information and accommodations.

Fishing

Fishing or swimming from any boat ramp. Possession, placement or hunting over bait, salt or any

inflatable device used for producing or projecting vocal sounds of wildlife.

Drive or screw a nail, spike or other metal object into a tree or to hunt from any tree in which such an object has been driven.

Fishing

Crossbows or any non-hunting discharge of firearms. Exception: Gear associated with camping in designated camping sites and deer stands and/or deer blinds.

The use of Airboats is prohibited during the months of February and April. The use of Airboats is prohibited during the months of February and April.

Taking of wildlife or plants (including cutting trees or brush) other than specified in this brochure. Exception: berry picking.

Possession or use of firearms.

Marking trees with tape, ribbons, paint or any other substance or material.

Use or possession of any electronic call or other electronic device used for producing or projecting vocal sounds of wildlife.

Spotlighting - artificial light may not be used to locate birds for hunting during these hunts is also permitted. The use or possession of bushhatted is prohibited refuge-wide. Persons possessing, transporting, or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with refuge regulations (50 CFR 27.42 and specific refuge regulations in 50 CFR Part 32).

Camping

Camping (no reservations or fees required) is permitted only in designated primitive camping areas and in conjunction with on-refuge wildlife-dependent activities (see map). Camping area entrances are marked by signs and boundaries are marked with ORANGE paint. Campers may no stay more than fourteen (14) days during any thirty (30) consecutive-day period in any campground. Camps must be occupied daily. All disturbances, including the use of generators, are prohibited after 10 pm. Consequences during periods of high fire danger, all open fires will be prohibited. Possession, placement or hunting over bait, salt or any ingestible attractant.

Use of deer decoys.

Use or possession of alcoholic beverages while hunting; consumption of alcohol in parking lots and on roadways; consumption of alcohol in plain view in campgrounds.

Fishing or swimming from any boat ramp.

Excessively loud music.

Blocking gates, boat ramps or roadways with any vehicles.

Taking of wildlife or plants (including cutting trees or brush) other than specified in this brochure. Exception: berry picking.

Possession or use of hermit’s.”

marking trees with tape, ribbons, paint or any other substance or material.

Use or possession of any electronic call or other electronic device used for producing or projecting vocal sounds of wildlife.

Drive or screw a nail, spike or other metal object into a tree or to hunt from any tree in which such an object has been driven.

Conducting or participating in deer drives. A deer drive is defined as a deliberate action by one or more persons (whether armed or unarmed) whose intent is to cause deer to move within firearm range of one or more participating hunters.

Searching for or removing any object of antiquity including arrowheads, pottery or other artifacts.

Disposing of unused portions of game or fish within 100 yards of any boat ramp, parking lot or campground.

Leaving any tree stand on the Refuge without owner’s name and address clearly marked on the outside. It is prohibited for an individual to have more than one (1) deer stand on the Refuge at the same time.

Leaving any personal property on the Refuge unattended.

Exception: Gear associated with camping in designated camping sites and deer stands and/or deer blinds.

The use of drones and/or unmanned aircraft.

Target practice with any firearms, archery tackle and crossbows, or any non-hunting discharge of firearms.

Firearms including state permitted concealed carry handguns are prohibited in all Refuge offices and buildings.
