## *National Wildlife Refuge Sport Fishing Regulations*

The minimum length limit for blue crabs is 5-inches carapace width (point-to-point).

Crabs caught on Mattamuskeet NWR are for personal use only and may not be sold.

### Prohibited Activities

- Airboats, sailboats, jet skis, and windboards
- Camping
- Commercial Use
- Fires
- Fireworks
- Herring dipping
- Leaving boats on the Refuge overnight
- Littering - this includes not removing crab lines
- Off road driving/ATV's, UTV's, FourWheelers, etc.
- Swimming
- Taking, removing, disturbing or possessing wildlife and plants
- Taking/possessing reptiles and amphibians
- Use of trot lines, set lines, limb lines, or jug lines

Motorized and nonmotorized fishing boats, canoes and kayaks are only permitted on the Refuge from March 1 through October 31. The Refuge is closed to all boating the rest of the year.

### Other

Do not feed the wildlife.

Fishermen and crabbers using the Refuge are subject to inspections of licenses, equipment, creel limits, vehicles and contents during compliance checks by refuge and state officers.

The Refuge speed limit is 25 m.p.h. unless otherwise posted.

The Refuge is open during daylight hours.

Please stay at least 50 yards away from osprey nests. This is especially critical during the active nesting season (generally between March 1 and August 1). Osprey nesting success is susceptible to human disturbance. Please report any disturbance or harassment, or other violations you see to Refuge personnel.

General fishing regulations and special regulations are codified in Title 50, Code of Federal Regulations, Part 32. If you have any questions regarding activities on the Refuge please contact the refuge manager at 252/926 4021.

Please be courteous to other refuge visitors.
