St. Marks National Wildlife Refuge
Hunting Regulations 2019-2020

General Provisions
St. Marks National Wildlife Refuge is one of over 500 national wildlife refuges. The primary objective of the refuge is to provide habitat for conservation and protection of all species of wildlife. The harvest of surplus animals is one tool used to maintain wildlife populations at a level compatible with habitat.

The regulations listed below supplement the general regulations which govern hunting on wildlife refuges as set forth in Title 50, Code of Federal Regulations. Hunting will be in accordance with applicable state regulations.

Prohibited Activities

Driving game is prohibited.
Wood gathering, camping, littering, and fires are prohibited.
Leashed dogs may be used for trailing injured game. Other use of dogs prohibited except for Piney Island Waterfowl hunt.
Unleashed dogs prohibited.
The use or possession of alcoholic beverages in refuge hunting areas is prohibited.
The placing of or hunting over bait is prohibited.
It is unlawful to insert a nail, spike or other metal object into any tree or to hunt from any tree in which a nail, spike or other metal object has been inserted.

Hunting on, from or across any paved or unpaved refuge road is prohibited.
Driving game is prohibited.
Use of flagging tape and reflective tacks prohibited. Painting or defacing plants or trees prohibited.
ATV’s are prohibited on refuge hunts.
Hunting or cleaning of game within 1000 feet of any residence or developed public recreation area is prohibited.
The refuge is open to daylight use only.

**Specific Hunting Regulations**
All game must be checked out at designated check stations.
Public hunting is permitted on approximately 40,000 acres as shown on this map.

All hunters must possess identification, a Florida hunting license, and a valid refuge hunt permit for the hunt in which they are participating. State Management Area permits are not required. A state archery permit will be required for all archery hunts. A turkey permit is required to hunt during spring turkey hunts. State and Federal waterfowl stamp and state waterfowl permit are required to hunt waterfowl. State deer permit required for all refuge deer hunters.

Foot/vehicle access into the refuge hunt area will be through designated access points (see map). No access along portions of public roads (see map). Vehicular access shown on map may vary according to weather and ground conditions. Vehicles are restricted to established roads. Boat access not permitted except to Piney Island for waterfowl hunting.

Pre-hunt scouting on foot is allowed anytime during daylight hours. The hunt area will be open to vehicles, weather permitting, two days before each quota hunt. Vehicle access in hunt area by permitted hunters only. Portions of the hunt area may be temporarily closed due to wildlife management practices such as prescribed burns.

All hunters participating in refuge hunts (except turkey hunters) using firearms must wear a minimum of 500 square inches of fluorescent orange-colored material above the waistline. Archery hunters are encouraged to wear orange-colored material.

Stand hours from 1/2 hour before sunrise to 1 1/2 hours after sunrise are observed during big game hunts as a hunter courtesy.

During all hunts for hogs, there are no restrictions on the size or number taken.

Youth hunters (younger than 16 years) must possess a valid refuge permit and be supervised by a permitted adult 21 years of age or older and must remain within sight and normal voice contact of the adult. For big game hunts, the adult may supervise only one youth. For small game hunts, the adult may supervise no more than two youths.
