

# North Mississippi Refuges Complex:

**Coldwater River,  
Dahomey, Tallahatchie**

*National Wildlife Refuges  
Hunting & Fishing  
Regulations 2010-2011*

**This is Not a Permit**

## **General Information**

In 1989, the North Mississippi Refuges Complex was established to manage U.S. Fish and Wildlife Service lands in the northern twenty-six counties of Mississippi. With its headquarters in Grenada, the complex is responsible for the management of Coldwater River, Dahomey and Tallahatchie National Wildlife Refuges, plus smaller fee-title properties and floodplain and conservation easements. The habitat consists of bottomland hardwoods, early successional reforestation areas, agricultural fields, and moist soil units.

In order to provide traditional recreational opportunities, public hunting and fishing are permitted in designated areas during specific times of the year at a level compatible with the environment. Certain areas of the complex may be closed for sanctuary or administrative purposes. Please refer to refuge maps.

To ensure your safety and enjoyment while visiting the North Mississippi Refuges Complex, please take the time to become familiar with the following regulations.

## **General Refuge Regulations**

The regulations listed below supplement the general regulations which govern hunting and fishing on wildlife refuge areas as set forth in Title 50 Code of Federal Regulations. Hunting and fishing are in accordance with applicable state regulations subject to the following special conditions.

Each hunter must complete a Harvest Report Card and display it on the dash of the vehicle so that the name is legible and visible from the outside. Prior to leaving the refuge, the card must be completed and deposited at one of the Hunter Information Stations. If hunting deer, hogs or turkey record the number harvested ("0" if no game harvested) and the sex and size data in the appropriate blocks. If hunting any other species, write in the name of the species next to "other" and the number harvested ("0" if no game is harvested).

Individuals utilizing the refuge are subject to inspection of permits, licenses, hunting and fishing equipment, bag limits, boats, vehicles and their contents by Service or state officers.

All Refuge lands are open during daylight hours only with the exception of legal hunting activities.

## *Permit Information*

Hunters and anglers sixteen years of age and older are required to have a \$12.50 Refuge Hunting & Fishing Permit and all required state licenses in possession at all times while hunting or fishing on refuge property. All

waterfowl hunters sixteen years of age and older must possess both a signed federal and a state waterfowl stamp.

Youth hunters under sixteen (16) years of age must be directly supervised by a licensed and permitted adult twenty-one years of age or older. An adult may supervise a maximum of two youth.

Permits are available at the complex headquarter in Grenada, MS, Monday through Friday 7:30 am to 4 pm or at Dahomey National Wildlife Refuge by appointment (662/742 9331). Permits are also available by mail. Mail the complete name, address, and phone number for each applicant on a plain sheet of paper to:

North Mississippi Refuges Complex  
P.O. Box 1070  
Grenada, MS 38902  
Attn: permit application

Enclose a personal check or money order payable to **USFWS**. There is no deadline for obtaining a Refuge Hunting and Fishing Permit. All permits issued for the 2010 – 2011 season expire September 30, 2011.

### *Hours*

General refuge hours are sunrise to sunset. During hunting season, hunters may enter the refuge two hours before sunrise and must exit the refuge no later than two hours after sunset except during raccoon hunts and frog hunts.

### *Mobility Impaired Persons*

Special facilities are available to mobility impaired hunters. A mobility impaired hunter is defined as a person (1) permanently confined to a wheelchair, crutches, or a walker or (2) a single- or double-leg amputee. Please contact the complex headquarters for more information.

### *Weapons*

Persons possessing, transporting or carrying firearms on National Wildlife Refuges must comply with all provisions of state and local law. Persons may only use (discharge) firearms in accordance with regulations (50 CFR 27.42) and specific refuge regulations (50 CFR Part 32).

All weapons authorized under state law are allowed for refuge hunts unless otherwise specified.

Only shells containing non-toxic shot may be used or possessed during waterfowl and small game hunts. Also, small game may be hunted with .17 caliber, .22 caliber rimfire rifles and archery equipment without broadheads. During deer and turkey hunts, lead ammunition legal for taking deer and turkey may be used.

Weapons legal with the state for deer hunting are authorized for hog hunting during the experimental hog hunt at Dahomey NWR.

### *Motorized Vehicles*

Motorized vehicles are restricted to roads designated as vehicle access roads on the refuge maps. Blocking access to any road or trail is prohibited.

All Terrain Vehicles (ATVs) can not be used or possessed or carried in trucks or trailers on refuge lands.

### *Pets/Animals*

Dogs are allowed for hunting migratory birds, squirrels, rabbits, quail, and raccoons during designated seasons only. Dogs are allowed for hunting hogs during experimental hog hunts only. The use of dogs is encouraged to retrieve dead or wounded waterfowl. Dogs must remain in the control of their handlers at all times. Dogs should be tagged with owner's name and contact information. Dogs are not allowed on refuge properties outside of hunting season. All other domestic animals are prohibited.

Horses and mules are not allowed on refuge lands.

### *State Bag Limits*

State season bag and possession limits apply unless otherwise stated. Consult current Mississippi Department of Wildlife, Fisheries and Parks Regulations for details ([www.mdwfp.com](http://www.mdwfp.com)).

### *Deer Stands*

All deer stands must be taken down on a daily basis. They can be chained to the base of a tree during the hunting season while not in use (this does not reserve the site) but must be removed from refuge lands by February 28, 2011. All hunting sites are on a first come, first served basis.

All deer stands left unattended are required to be tagged and marked with permit number.

Deer stands and/or steps can not be nailed to trees nor can any blind or stand be attached to a tree by any metal object driven, screwed, or otherwise inserted into the tree.

Tripod stands must be erected within 25 feet of a tree line.

While climbing a tree, installing a tree stand that uses climbing aids, or while hunting from a tree stand, hunters must use a fall-arrest system that is manufactured to Treestand Manufacturers Association standards.

### *Boats*

Boats and trailers must be registered, licensed, and meet all state regulations.

Waterfowl hunters may leave boats meeting all state registration requirements on refuge water bodies throughout the waterfowl season. Boats must be removed within seventy-two hours after the season closes.

### *Boat Ramps*

When available, please use designated boat ramps. Please see maps for specific locations of boat ramps.

### *Decoys & Blinds*

Decoys, duck blinds and litter must be removed from the hunting area following each day's hunt.

Only temporary blinds may be constructed.

### *Fluorescent-Orange*

All hunters or persons on the refuge for any reason during any open refuge hunting season must wear a minimum of 500 square inches of visible, unbroken, fluorescent-orange material above the waist line.

Waterfowl hunters must comply while walking/boating to and from actual hunting area. Fluorescent-orange is not required for turkey season, hunting raccoons or frogs at night or for waterfowl hunters while actually hunting.

### *Migratory Game Birds*

Migratory game bird hunting (ducks, mergansers, coots, and geese) is allowed during specified state season on Wednesdays, Fridays, Saturdays, and Sundays, thirty minutes before sunrise until noon. After duck, merganser, and coot season closes, light geese may be hunted daily during the time period and manner defined in the Light Geese Conservation Order. A free permit number is required to hunt light geese during the Conservation Order. Permit numbers are issued by the State of Mississippi and obtained by calling (601/432 2199, Monday through Friday 8 am to 5 pm).

### **Prohibited Activities**

### *Specific Fishing Regulations*

**Tallahatchie National Wildlife Refuge:** Fishing is permitted South of Mississippi Highway 8 only.

**Coldwater River National Wildlife Refuge (including the Warwick Tract):** Fishing is permitted in the borrow pits only.

**Dahomey National Wildlife Refuge:** Fishing is permitted. Catch and release for largemouth bass in the Happy Hollow Lake.

**Farm Service Agency (FSA) Properties:** Fishing is permitted North of the Corps levee on the Robertson (655 acres) tract in Leflore County.

## Signs Protect Visitors and Resources

Millions of people visit national wildlife refuges each year. The impact of human activity, if not regulated, can degrade these wildlands. Signs help control recreational activities while protecting natural resources on the refuge. Please respect the following signs.

This sign delineates the refuge boundary. Entry is permitted only for authorized uses in accordance with refuge regulations. It is your responsibility to know where the property lines are and hunt within the boundaries.

This area is closed to all entry. No roads or trails are open to the public.

This area is closed to all hunting. Firearms and archery equipment are strictly prohibited.
