

A draft economic analysis was developed for Gierisch mallow, acuña cactus and the Fickeisen plains cactus. The availability of the draft economic analysis for these three species was announced in the Federal Register on March 28, 2013 (78 FR 18938). You may obtain a copy of the draft economic analysis at Docket No. FWS–R2–ES–2013–0025.

The final economic analysis for the designation of critical habitat for Gierisch mallow will be available on Regulations.gov as a supporting document in the docket folder FWS-R2-ES-2013-0018 upon publication of the designation of critical habitat for acuña cactus and the Fickeisen plains cactus.
