

ENVIRONMENTAL ACTION STATEMENT (EAS)

Within the spirit and intent of the Council on Environmental Quality's regulations for implementing the National Environmental Policy Act (NEPA), and other statutes, orders, and policies that protect fish and wildlife resources, I have established the following administrative record and have determined that the action of implementing conservation measures for the lesser prairie-chicken and sand dune lizard throughout its range in New Mexico:

is a categorical exclusion as provided by 516 DM 2, Appendix 1 and 516 DM 6, Appendix 1 and no further NEPA documentation will be made.

is found not to have significant environmental effects as determined by the attached Environmental Assessment and Finding of No Significant Impact (FONSI).

is found to have significant effects, and therefore further consideration of this action will require a notice of intent to be published in the *Federal Register* announcing the decision to prepare an Environmental Impact Statement (EIS).

is not approved because of unacceptable environmental damage, or violation of U.S. Fish and Wildlife Service mandates, policies, regulations, or procedures.

is an emergency action within the context of 40 CFR 1506.11. Only those actions necessary to control the immediate impacts of the emergency will be taken. Other related actions remain subject to NEPA review.
