Information on Attending the Virtual Public Meeting

The US Fish and Wildlife Service (the Service) has scheduled a public informational session from 4:00 p.m. to 5:30 p.m., Mountain Standard Time, followed by a public hearing from 6:00 p.m. to 7:30 p.m., Mountain Standard Time, on January 25, 2022.

The Service will hold the virtual public meeting via the Zoom online platform so that participants can attend remotely by computer or phone. The virtual public meeting will start with a brief presentation by Service staff followed by an opportunity for attendees to ask questions and then provide verbal public comments.

We recommend that members of the public log into the Zoom meeting platform 5 minutes prior to the beginning of the presentation to ensure that they can connect. If using the phone-only option, participants will be able to listen to the virtual public meeting, but they will not view the presentation.

*For security purposes, **registration is required**.

*Interested members of the public not familiar with the Zoom platform should view the Zoom video tutorials (<https://support.zoom.us/hc/en-us/articles/206618765-Zoom-video-tutorials>) prior to the public meeting.

*If you have technical difficulties registering for the meeting or joining the meeting on January 25th, please email amanda.biedermann@empfi.com.
