

Mexican spotted owl Survey Training 2021

Since we are still in a pandemic and we are unable to provide in person Mexican spotted owl survey training, we will be providing several virtual survey protocol training sessions this spring.

We will be holding five Mexican spotted owl Protocol Training Webinars in March and April (and we may schedule additional dates in April as needed). If you would like to attend the training, please RSVP to Shaula Hedwall (shaula_hedwall@fws.gov) and send the name(s) and contact email(s) for each person attending. Signing up for the dates will be first come, first serve, so if you can only attend one of the scheduled webinars, please sign up as soon as possible to reserve a spot. There is no fee for the webinar.

I am planning on using Microsoft Teams to host these webinars. If you have an issue with the hosting platform, please let me know.

The dates/times for the webinars are (each date is hyperlinked to the Teams Invite)

[Thursday, March 18th, 9 am to 1 pm](#)

[Friday, March 19th, 10 am to 2 pm](#)

[Tuesday, March 23rd, 8 am to 12 pm](#)

[Friday, March 26th, 9 am to 1 pm](#)

[Wednesday, March 31st, 8:30 am to 12:30 pm](#)

[Thursday, April 8th, 9 am to 1 pm](#)

- The training will provide you with four of the 40 hours necessary to conduct Mexican spotted owl surveys on your own or serve as a refresher, if needed.
- The training will go through the 2012 FWS Survey Protocol. You can find the survey protocol at [Mexican spotted owl Survey Protocol](#). We recommend that you review the protocol prior to the training, so we can address questions and provide clarifications.

If you have any questions, please contact Shaula Hedwall at shaula_hedwall@fws.gov
