

Title: 2019 Arizona Southwestern Willow Flycatcher Survey Training

When: May 9 and 10, 2019

Where: Tonto Basin Ranger Station at Roosevelt Lake (5/9) and Roosevelt Lake/Salt River or Rockhouse Demonstration Site flycatcher breeding area visit (5/10)

The 26th Annual Arizona Southwestern Willow Flycatcher Survey Training workshop will be held Thursday and Friday, May 9th and 10th, 2019. The first day of training will be an afternoon classroom session held at the Tonto Basin Ranger Station Visitor Center at Roosevelt Lake, on the Tonto National Forest in central AZ. The second day will be a morning field trip to flycatcher breeding sites located along the Salt River arm of Roosevelt Lake.

Details are still being developed. Please email Greg Beatty at U.S. Fish and Wildlife Service at Greg_Beatty@fws.gov to reserve your spot and receive more specific information when it becomes available.
