Ute Lake State Park

UTE LAKE STATE PARK

New Mexico State Parks
1220 South St. Francis Drive
Santa Fe, NM 87505
P: (505) 476-2355
or 1-888-NM-PARKS
(667-2757)
F: (505) 476-3361

Ute Lake State Park, a Canadian River reservoir, offers some of the best walleye fishing in New Mexico. Anglers can also try their luck for bass, crappie, and catfish. Ute Lake is one of the longest lakes in the state at nearly 13 miles, and its width never exceeds one mile across. It boasts a marina and a full range of water sport activities.

Plentiful Wildlife

With its scores of inlets to explore, the lake abounds in ducks, quail, doves and pheasant. Deer and antelope roam the surrounding plains and mesas.

24-hour Fishing

Round-the-clock fishing is available every day of the year for angler fanatics. The lake has produced several state-record game fish.

Getting There

Ute Lake State Park is three miles west of Logan via N.M. 540.
