Memorandum

To: Service Directorate
From: Assistant Director-Administration
Subject: Adoption of Data Standard

The data element standard for Personal Property Number has successfully completed the formal national review process for proposed data standards and is hereby formally adopted. The comments received from Service personnel indicated that the proposed standard is acceptable as written and requires no further revision. Please distribute this memorandum and attachment to all Regional and Field Offices to ensure that staff members are aware of this standard, and the requirement to apply it Servicewide where appropriate.

The final standard may be viewed on the Service Internal Internet at <http://sii.fws.gov/r9data/> and on the Internet at <http://www.fws.gov/stand/>. The data standard is:

Data Element: Personal Property Number

A printed copy of this standard may be requested from Barbara White, Data Specialist, Branch of Data and Systems Services, Division of Information Resources Management, via electronic mail, or by phone at 303-275-2310.
