

Environmental Education Volunteer Naturalist Application

Volunteers will be provided with a solid foundation for assisting with the Refuge’s education programs. During four, half-day training sessions, volunteers will learn about natural history, wildlife observation skills, and practice techniques to successfully work with youth and the public. Both experienced volunteers and enthusiastic novices are encouraged to apply.

Thank you for your interest. We are looking forward to hearing from you!

Email **Phone**

Please answer the following questions. Attach additional pages if necessary.

1) Briefly, tell us about yourself as it pertains to the volunteer position. For example, why are you interested in becoming a volunteer naturalist? Why are you interested in environmental education? Do you have experience working with kids? Do you want to get more involved and learn about the Refuge? Do you like working with the public?

2.) Volunteer duty times will be scheduled in advance and will require that volunteers are able to donate their time during school hours as well as occasional weekend days. Generally, will you be available at these times?
Note: Volunteers will be primarily working outdoors, sometimes in inclement weather.

3.) In exchange for 20 hours of naturalist training provided by the Refuge, volunteers will be required to donate 30 hours of service towards the Refuge’s education programs within the year following the training. Are you able to make this commitment of training and service?_____
If not, are you interested in other education and recreation program volunteer opportunities at the Refuge?

4.) Please provide up to three personal or professional references who can speak to your qualifications to serve as a volunteer. Include names and contact information.
