SUBJECT: Christmas Tree Cutting on the Kenai National Wildlife Refuge

The Kenai National Wildlife Refuge announces that the Refuge will open for Christmas trees cutting from Thanksgiving Day, Thursday, November 28, 2013, through Christmas Day, Wednesday, December 25, 2013. Trees are free for personal use with a limit of one per household. Trees may be taken anywhere on the Refuge with hand tools, except within 150 feet of a road, lake, stream, trail, campground, or picnic area. No tree cutting is permitted in the Refuge Headquarters/Visitor Center area and along Ski Hill Road. The public is requested to trim the stumps as close to the ground as possible for aesthetic reasons.

For additional information, please contact the Kenai National Wildlife Refuge office during regular business hours at (907) 262-7021.

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect, and enhance fish, wildlife, plants, and their habitats for the continuing benefit of the American people. We are both a leader and trusted partner in fish and wildlife conservation, known for our scientific excellence, stewardship of lands and natural resources, dedicated professionals, and commitment to public service. For more information on our work and the people who make it happen, visit www.fws.gov.
