

Spring and Summer Opportunities

As you explore this area on foot, use binoculars and spotting scopes to bring wildlife closer into view without disturbing them.

The Wildlife Checklist is a great brochure to find a list of the common to rare birds and other wildlife!

Refuge birding tour using trails

The trails marked in blue and black are great places to observe and photograph ducks, raptors and wading birds.

Take a Closer Look

Enjoy the variety of songbirds in the riparian forest on the trail marked in red. Birds, such as the Western Kingbird and Spotted Towhee, depend on the forest habitat for migration corridors and nesting areas.
