

Family Snowshoe Treks

Sherburne National Wildlife Refuge

Saturday, February 6, 2016

1 pm-4 pm

Join us for our annual Snowshoe Hike! This free and fun-filled event is available for all ages. We will have guided hikes at 1:30 pm and 3 pm or you can explore on your own. There will also be free refreshments and nature displays!

The Friends of Sherburne are happy to lend you several different types of snowshoes for the event, or you may bring your own. Please dress appropriately for the weather conditions!

You must pre-register for the event! Extreme weather or low snow conditions may determine if the event is postponed or cancelled. Call 763-389-3323 ext. 18, or email Adam_Muilenburg@fws.gov to make your reservation.

Meet near the Oak Savanna Learning Center on Old Schoolhouse Road. This is just west of the Refuge HQ off Sherburne County Road 9.

Feel free to view our 2016 event schedule and more information about Sherburne National Wildlife Refuge at our website, www.fws.gov/refuge/sherburne/.
