Okefenokee National Wildlife Refuge Announces Hunt Dates and Regulations for 2018/2019 Season

Folkston, GA...Okefenokee National Wildlife Refuge (NWR) is one of many refuges in the United States that offer hunting opportunities to the visiting public. The primary objective of a national wildlife refuge is to provide habitat for the conservation and protection of all species of wildlife. Public hunting opportunities are a way to provide recreational opportunities and permit the use of a valuable resource. Public hunting on the Okefenokee NWR is permitted in three areas: the Suwannee Canal Recreation Area, the Pocket, and the Cowhouse Unit during certain seasons each year. All hunters must possess all applicable Georgia hunting licenses in accordance with state regulations. Hunters may view the refuge-specific hunt brochure (available online at www.fws.gov/refuge/okefenokee) for additional hunt regulations and information.
