

# Red River National Wildlife Refuge

## Reservation Form - SCHOOLS

*You are welcome to come visit on your own! Just let us know when you come so we can count you and your students as a self-guided group. We report to congress annually our attendance so we need to document how many people use our refuge. Reserved educational visits are scheduled Wednesday through Saturday as refuge staffing allows. Return this form to Red River NWR at least 3 weeks prior to your requested visit date. Refuge staff will contact you via email or phone to confirm that a visit has been scheduled and will share important information with you about your upcoming visit. Guided field visits are interactive, inquiry-based and most of our activities take place outside, proper footwear (closed toe shoes) and seasonal clothing are essential for an enjoyable visit.*
