Rev. Aug, 2019
Parker River National Wildlife Refuge
2020 Shotgun-Only Deer Hunt Lottery Information

White-tailed deer hunting on Parker River National Wildlife Refuge will be permitted on Wednesday, December 2nd and Thursday, December 3rd, 2020.

How to Apply
Each hunt applicant must submit a Parker River NWR Deer Hunt Lottery Entry Form. The applicant also has the option of designating a second hunter on the same application if he/she wants to hunt with that second hunter on the same day of the hunt. The same information should be provided for the second hunter.

Application Restrictions:
• If the secondary hunter is under 16 years old, the primary hunter must be at least 18 years old.
• A hunter’s name can appear on ONLY one application. The same name(s) on multiple applications will cause all applications containing those names to be rejected.

Hunt permit applications will be accepted at Parker River National Wildlife Refuge, 6 Plum Island Turnpike, Newburyport, MA, 01950 from September 1 thru COB on September 30. Applications may also be emailed to parkerriver@fws.gov or faxed to (978) 465-2807.

Selection Process
35 hunters will be selected by lottery for each of the two hunt days (total of 70 hunters). Selected applicants will be notified by October 10, 2020 via email or letter. The hunt permit fee is free for hunters aged 17 years and younger, $10 for hunters aged 62 and older (provided they possess the Federal Senior Pass), and $20 for hunters aged 18-61. Hunters must purchase their permits by October 31.

Scouting Days
Hunter scouting days will be allowed Wednesday, November 25th thru Sunday, November 29th (inclusive). Hunt selectees must have their permit in their possession at all times while scouting and hunting on Parker River National Wildlife Refuge.

State and Refuge Regulations
Hunters are responsible for knowing and complying with all State of Massachusetts hunting regulations. In addition, hunters are responsible for knowing and complying with the regulations of Parker River National Wildlife Refuge. Failure to do so may result in suspension of the hunting permit, future hunting privileges and/or the issuance of a violation notice.
