Two Rivers - Apple Creek Division

National Wildlife Refuge

Hunting and Fishing Regulations 2020–2021

Welcome

Two Rivers National Wildlife Refuge was established in 1958 to protect and enhance habitat for migratory birds. Located between the Mississippi River and Illinois River, the refuge encompasses 9,225 acres of riverine and floodplain habitat scattered around the confluence of the rivers for both resident and migratory wildlife. The Refuge functions as an important link along the Mississippi Flyway. Two Rivers NWR Apple Creek division is 270 acres open to hunting. Special regulations apply. Please contact the Refuge for more information.

The Refuge allows non-motorized boats in the Apple Creek division during the open period.

Accessibility Information

Equal opportunity to participate in and benefit from programs and activities of the U.S. Fish and Wildlife Service is available to all individuals regardless of physical or mental ability. For more information please contact the U.S. Department of the Interior, Office of Equal Opportunity, <https://www.doi.gov/pmb/eeo/public-civil-rights>.

Hunting and Fishing Regulations

Hunting and fishing regulations are designed to provide safe recreational opportunities through wise use of renewable wildlife resources. Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting and fishing will be in accordance with applicable State of Illinois regulations subject to the conditions stated below. Use of non-toxic shot is required on all divisions for all hunted species. Brochures may be obtained by mail, at the refuge headquarters, or from the refuge website.

Access

Hunters may only access the Refuge two hours before legal sunrise until two hours after legal sunset.

Hunters must park in designated parking areas, as identified on the map below, to access the Refuge for hunting. Gates opened to enter the hunting area from designated access points must be closed immediately after passing through. Access to the Refuge from private property is prohibited.

This is a unit of the National Wildlife
Refuge System, a network of lands
and waters managed for the benefit of
wildlife and people.
