

# Candlelight Ski Event

Saturday, February 20, 7pm-9pm

Blue Hill Trail

Sherburne National Wildlife Refuge

## Event Canceled

**The Candlelight Ski/Hike has been canceled due to poor snow and trail conditions.**

**Limited snow, packed ice on our trails, and visitor safety caused us to cancel. Weather conditions can effect our outdoor events which is why some events we require guests to RSVP.**

Bring your skis and your sense of adventure for our 2016

Candlelight Ski! Over 3.5 miles of the beautiful Blue Hill Trail will be lined with lights on a nearly full moon night. The Friends of Sherburne NWR will provide free refreshments next to a warm fire.

Bring your own skis and equipment for the event. A candlelight hike will be offered if snow conditions do not permit skiing.

This event is free and open to the public. Weather conditions may cause the event to be postponed or cancelled. For that reason we require you to RSVP ahead of time by contacting us at [Adam\\_Muilenburg@fws.gov](mailto:Adam_Muilenburg@fws.gov) or 763-389-3323 ext. 18. Blue Hill Trail is located off Sherburne County Road 9 just East of County Road 5.
