

Disclaimer: The USFWS makes no claim to the accuracy or completeness of the displayed information. Shaded areas depicting USFWS fee lands and state lands are for illustrative purposes only and do not represent legal boundaries. The quality of the data used to develop digital boundaries is variable, consequently, the digital representation of all boundary information is subject to change as higher quality data becomes available. All fee-title acres are attributed to allow for replacement. For more detailed information of the boundaries of fee-title land, please contact your local Realty Office. Map produced by Chase Lake Refuge headquarters in July of 2014.
