

# Chasing Ice

Thursday, February 13th, 7:00 pm  
The Visitor Center at Assabet River NWR  
680 Hudson Rd, Sudbury  
(3 miles west of Sudbury center)

Presented by Sustainable Sudbury and the Assabet River National Wildlife Refuge.

*Follow National Geographic photographer James Balog across the Arctic as he deploys time-lapse cameras designed for one purpose: to capture a multi-year record of the world's changing glaciers (75 mins).*

Chasing Ice is the story of one man's mission to change the tide of history by gathering undeniable evidence of climate change. Using time-lapse cameras, his videos compress years into seconds and capture ancient mountains of ice in motion as they disappear at a breathtaking rate.
