Welcome to Cokeville Meadows National Wildlife Refuge. Located in the Bear River Valley of southwestern Wyoming, this 6,466-acre refuge was established in 1982 to preserve and protect wetland habitat for migratory and resident birds. Species which may be seen include trumpeter swan, white-faced ibis, long-billed curlew, sandhill crane and greater sage grouse.

Please familiarize yourself with the following information to help ensure a safe and enjoyable visit.

General Information
Gates opened to enter an area must be closed immediately after passing through.

Dogs must be leashed and/or under the direct control of a handler.

Hours
Hunters and anglers may enter the Refuge 1 hour before sunrise and must exit the Refuge by 1 hour after sunset. (Legal sunrise and sunset times can be found in the Wyoming Game and Fish Hunting Regulations.)

Vehicles
Motor vehicles are allowed only on designated roads and in designated parking areas.

Hunters, anglers, and all visitors must park in a Designated Parking Area as shown on the map or as identified by signs on the ground.

Access to and exit from hunting areas is from designated hunter parking areas only.

Hunting and Fishing Regulations
Hunting and fishing are permitted in accordance with Federal regulations governing public use on National Wildlife Refuges as set forth in Title 50 of the Code of Federal Regulations.

Hunting and fishing are allowed on the Refuge in accordance with State regulations and the Refuge-specific regulations in this brochure.

Areas closed to migratory bird hunting or closed to all hunting are shown on the map. Signs are also posted on the Refuge to indicate areas that are either closed to all hunting or closed to migratory bird hunting.

The Blue Goose is the symbol of the National Wildlife Refuge System, a network of lands and waters managed for the benefit of wildlife and people.
Hunting is prohibited within 200 yards of buildings, state or county roads, and trails.

Permission must be obtained from private landowners before attempting to retrieve game on adjacent private land.

**Big Game Hunting**
The Refuge is open to hunting big game in designated areas, following State regulations and Refuge-specific regulations. Permitted species include elk, moose, mule deer, pronghorn antelope, and white-tailed deer.

**Upland Game Hunting**
The Refuge is open to hunting upland game in designated areas following State regulations and Refuge-specific regulations. Species include Blue grouse, chukar partridge, cottontail rabbit, gray partridge, raccoon, red fox, ruffed grouse, snowshoe hare, squirrels (red, gray, and fox), and striped skunk.
