Hunting Regulations

Columbia Mine Preserve is **closed to hunting all game animals** except for:

1. White-tailed deer during the first week (7 days) of the State-defined seasons for

Archery	October 1 – 7, 2016
Firearms	November 12 – 18, 2016
Muzzleloader	December 3 – 9, 2016

2. Wild turkey only during the State-defined spring season (April 26 – May 14, 2017). Fall season wild turkey hunting is prohibited.

Only portable tree stands may be used. These stands can be on the Columbia Mine Preserve during the special season and for a 2-day grace period before and after each special season. Name, address and phone number must be legible and marked on each stand no higher than 6-feet off the ground.

Fishing Regulations

Wear hunter orange hat or vest during listed hunting season dates.

All lakes are open to fishing on the Columbia Mine Preserve **with access only on foot**.

Several lakes are very deep with steep slippery slopes near the shorelines. **Always use caution** before deciding to wade while fishing.

Boats 14-feet long or less are permitted. No gasoline-powered boats or airboats are permitted. Boats must be clean of vegetation to avoid spreading invasive plants and insects.

Fishing is permitted from legal sunrise to legal sunset.

Fishing is only permitted with rod and reel or pole and line.

Minimum size limit for largemouth bass is 14 inches on Columbia Mine Preserve and Snakey Point Marsh.

Minnnows, crayfish and all reptiles and amphibians are protected and may not be killed, collected or in possession when on the property.

Please take notice: All general refuge public use regulations apply when on the Columbia Mine Preserve. Enforcement of use regulations will be carried out by both Federal and State Conservation Officers.
