Know Your Signs!

Marks refuge boundary. Does not prohibit access, only unauthorized uses.

Area is closed to public access. Do not trespass behind this sign.

Marks areas that are open only to waterfowl hunting. No other game may be hunted where this sign is posted.

Welcome to Your Refuge!

Detroit River International Wildlife Refuge (DRIWR) was established in 2001 to preserve the Lower Detroit River and Western Lake Erie. DRIWR is within an hour's drive of nearly seven million people in the Detroit, Michigan; Windsor, Ontario; and Toledo, Ohio metropolitan areas. The refuge's acquisition boundary stretches along 48 miles of Detroit River and western Lake Erie shoreline and today, consists of more than 2,000 owned acres divided into 13 separate units located in Wayne and Monroe counties. An additional 5 units totaling nearly 4,000 acres are managed under cooperative management agreements between the refuge and outside landowners.

Detroit River International Wildlife Refuge provides a wide variety of wildlife-dependent recreation activities to the public, including environmental education, interpretation, wildlife observation and photography, hunting, and fishing. For more information about Detroit River IWR or other national wildlife refuges, visit www.fws.gov.

General Hunting Regulations

The hunting regulations specific to Detroit River International Wildlife Refuge are set forth in Title 50, Code of Federal Regulations. Individuals accessing the refuge are subject to inspections of permits, licenses, hunting equipment, bag limits, boats, vehicles and their contents by federal and state officers.

Michigan state regulations and refuge specific regulations will be enforced. Refuge specific regulations supersede state regulations. Hunting is allowed only on refuge units described in this brochure. Only the species listed in this brochure may be hunted.

Seasons & Hours

All refuge hunting seasons will coincide with state hunting seasons. For authorized hunting, refuge is open 1½ hours before legal shooting time to 1 hour after legal shooting time.

Migratory Bird Hunting

Migratory bird hunting is allowed in the following refuge units: Humbug Marsh, Calf Island, Sugar Island, Strong, Brancheau, Fix, and Plum Creek Bay. See specific unit regulations. Migratory bird hunting is also allowed below the ordinary high watermark in accordance with State laws and regulations in the following coastal areas: Humbug Marsh, Mama Juda Shoal, Mud Island, Grassy Island, Humbug Island, Calf Island, Sugar Island, Strong Unit, and Brancheau Unit. Hunting from dikes, shore or entry onto uplands of any other refuge unit including Mud Island, Grassy Island, and the mainland portion of the Humbug Marsh unit is prohibited.

Waterfowl Hunting by Special Permit Only

The diked wetland areas of the Brancheau Unit are open to waterfowl hunting by special permit only and will be managed in cooperation with Michigan DNR, Wildlife Division. Hunting will begin on opening day of the general Michigan waterfowl season, and continue every Sunday and Wednesday thereafter in conjunction with managed waterfowl hunts at the Pointe Mouillee State Game Area (SGA). A lottery drawing will assign special permits along with designated zones to hunters at the SGA headquarters each morning at 5:30 a.m. All blinds are accessed by walking from the Brancheau Unit parking lot; no boats allowed. Each hunter is allowed a maximum of 18 shells containing approved non-toxic shot. No shot size larger than #1 shot is permitted. Waterfowl area permits are required and may be purchased at the SGA. Permits are \$4 daily or \$13 annually.

Big & Small Game

Big game and small game hunting is allowed on the following refuge units: Humbug Marsh (Island portion only), Calf Island, Sugar Island, Strong and Fix. See specific unit regs.

Weapons

All State approved hunting weapons are permissible on refuge lands. This includes firearms, archery bows and crossbows. In accordance with State regulations, handguns will be permitted for hunting deer, fox, coyote, and raccoon.

Permissible Shot

Only approved non-toxic shot is permitted while in the field with the following exception: While hunting fox, coyotes and raccoons in units where it is allowed, the use of single projectile shot such as bullets, slugs or muzzleloader bullets containing lead will be permitted. For deer hunting, only single projectile shot may be used. The use of buckshot will not be permitted on refuge lands.

Do Not Shoot!

Opossum, porcupine, weasels (including mink), skunk, ground squirrel, woodchuck, muskrat, beaver, American crow, European starlings, house sparrows, northern bobwhite (quail), and feral pigeons may NOT be hunted or trapped on the refuge at any time.

Equipment Removal

All items, including blinds, boats and decoys must be removed from the refuge at the end of each day's hunt.

Trail Markings

Cutting of woody vegetation on the refuge for blinds is prohibited.

Portable Tree Stands

Portable tree stands are permitted for deer hunters. Tree stands do not need to be removed at the end of each day's hunt. However, State regulations on the use of tree stands on public land will be strictly enforced.

Paint & Flagging

The use of paint, flagging, reflectors, tacks, or other human-made materials to mark trails or hunting locations is forbidden.

Baiting

Hunting over bait and the distribution of bait, including salt licks, mineral blocks, or any chemical substance applied to the ground or vegetation is prohibited on National Wildlife Refuge units.

Hunting Dogs

The use of hunting dogs, provided the dog is under the immediate control of the hunter, is permitted.

Camping & Fires

Camping and fires on refuge lands are prohibited.

ATVs

All terrain vehicles (ATVs) and other motorized vehicles are prohibited on refuge lands.

Alcohol

The use or possession of alcoholic beverages while hunting is prohibited.

Humbug Marsh Hunting Regulations

Open Water (from water's edge out into Detroit River)

- Migratory Birds: *Below Ordinary High Water Mark* Goose, duck, merganser, coot, gallinule, woodcock, sora, rail, and Wilson's snipe.

Mainland (from water's edge west to Jefferson Avenue)

- CLOSED to all hunting.

Humbug Island

- Big Game: White-tailed deer and wild turkey.
- Upland/ Small Game: Ring-necked pheasant, gray, fox and red squirrel, cottontail rabbit, raccoon, gray and red fox, and coyote.
- Migratory Birds: Goose, duck, merganser, coot, gallinule, woodcock, sora, rail, and Wilson' snipe.

Hunter Access

Humbug Island is accessible by boat only. There is no access to water from USFWS property. The closest boat launch is Elizabeth Park Marina or Lake Erie Metropark.

Calf Island Hunting Regulations

- Big Game: White-tailed deer and wild turkey.
- Upland/Small Game: Ring-necked pheasant, gray, fox and red squirrel, cottontail rabbit, raccoon, gray and red fox, and coyote.
- Migratory Birds: Goose, duck, merganser, coot, gallinule, woodcock, sora, rail, and Wilson's snipe.

Sugar Island Hunting Regulations

- Big Game: White-tailed deer.
- Upland Game: Ring-necked pheasant, gray, fox and red squirrel, cottontail rabbit, raccoon, gray and red fox, and coyote.
- Migratory Birds: Goose, duck, merganser, coot, gallinule, woodcock, sora, rail, and Wilson's snipe.

Hunter Access

Calf Island and Sugar Island are accessible by boat only. There is no access to water from USFWS property. The closest boat launch is Elizabeth Park Marina or Lake Erie Metropark.

Strong Unit Hunting Regulations

Northern Portion of Unit

(from Estral Beach protection dike north to unit boundary)

- Big Game: White-tailed deer, wild turkey.
- Upland/Small Game: Ring-necked pheasant, gray, fox and red squirrel, cottontail rabbit, raccoon, gray and red fox, and coyote.
- Migratory Birds: Goose, duck, merganser, coot, gallinule, woodcock, sora, rail, and Wilson's snipe.

Southern Portion of Unit

(from Estral Beach protection dike south into Village of Estral Beach)

- CLOSED to all hunting.

Hunter Access

From I-75, take Exit 21 (Swan Creek Rd.) east to North Dixie Hwy. Turn left (northeast) and take North Dixie Highway/US Turnpike to Port Sunlight Rd. Turn right (south) and follow Port Sunlight Rd. about 1 mile to the Strong Unit. Hunter parking area is on left. Boat access is available from Lake Erie.
