2016 Archery and Gun Deer Hunts for Hunters with Disabilities

Horicon National Wildlife Refuge, managed by the U.S. Fish and Wildlife Service, will be offering hunters with disabilities an opportunity to hunt in several hunts. These permit hunts are restricted to a 950-acre area near the Refuge Office/Visitor center on County Road Z on the east side of the marsh. These Refuge sponsored deer hunts require a Special Use Permit issued from Horicon NWR, in addition to the appropriate State issued license and carcass tag(s). Ten wheelchair accessible blinds are available. Early scouting is not permitted, but if you are a new hunter, appointments are available to show you around so that you are familiar with the boundary, location of the blinds, and access points. Blinds will not be reserved but will be first come, first serve. The hunts are limited to ten hunters per hunt.

You must have a State issued Class A, B, C, or D hunter disability permit in order to hunt. If you have a Class B permit for the October hunt, it must be one that authorizes hunting from a vehicle and has been issued for more than one year. You may have an assistant with you. Assistants are allowed to hunt in all of the hunts except the October gun hunts. Assistants who hunt must complete the information on the reverse side of the application and pay \$10 per hunt prior to the hunt.

You will have the opportunity to hunt in two hunts. Please choose one hunt from Column A and one hunt from Column B on the attached application.
