

## *Environmental Education Cohort*

Sponsored by the Jeffers Foundation and  
U.S. Fish & Wildlife Service

*You are invited to join a dedicated group of educators focused on integrating and embedding Environmental Education and Outdoor Instruction into every day instruction.*

**Saturday, Feb. 1, 2014**

**9:30 a.m. – 11:30 a.m.**

- *Focus: Quick and Simple ways to integrate EE concepts and take learning outdoors using journaling as a multidisciplinary tool. Participants receive a Jeffers Journal, a LookIt, and EcoTime Cards/CD*

**Saturday, Mar. 1, 2014**

**9:30 a.m. – 11:30 a.m.**

- *Focus: The Nature of Math. Participants receive supplies to make a class set of clinometers.*

**Saturday, April 5, 2014**

**9:30 a.m. – 11:30 a.m.**

- *Focus: Reading and writing with EE in mind. Participants will receive a bibliography of literature for teachers and children, and learn techniques for reading the landscape as well as reading literature.*

**Saturday, May 3, 2014**

**9:30 a.m. – 11:30 a.m.**

- *Focus: More Tips & Tricks for Outdoor Instruction. Participants receive a Minnesota Weatherguide Environment Calendar. \*\*Participants who have attended at least 3 of the 4 sessions will be eligible to receive Jeffers Journals for their students.*

Join us for one Saturday or for the entire series. Come prepared to spend a bit of time outdoors at each session, and be sure to bring your Jeffers journal each time!

REGISTRATION IS REQUIRED. To register, go to <http://www.surveymonkey.com/s/EECohort2014>. Call Laura at (952) 361-4518 for more information.

*Note: Those who attend at least 3 sessions are eligible to receive a classroom set of Jeffers Journals for your students.*
