

February 2018

Sewee Visitor & Environmental Education Center

Caretaker “Wolfman” Rob conducts Red wolf feeding and interpretive talk on Saturdays at 11:30 AM and Thursdays at 3:00 PM.

Cape Romain National Wildlife Refuge

February 3
Saturday
9:00 AM

11th Annual Francis Marion National Forest Clean UP: Volunteers of all ages are invited to participate in the annual cleanup that brings together more than 300 volunteers in one-day to pick up litter from one of the state’s most popular outdoor recreational areas. For more information about the cleanup or ways to get involved please visit PalmettoPride.org or contact Scott Morgan at smorgan@palmettopride.org

February 10
Saturday
10:00 AM

Bottomlands Discovery Hike: Explore the natural beauty and wonders found in the bottomland forest. Walk the old rice field dikes along 1700 era water-filled canals and experience the fascinating blend of cultural and natural history so prevalent in the bottomlands. Enjoy the splendors of old cypress trees with their “knees” and other unique flora and fauna as you walk through these plantation lands protected within the Francis Marion National Forest. Call the Center at 843.928.3368 to register. FREE program

February
16,17 & 18

Southeastern Wildlife Exposition, Charleston: Join us at the Conservation Tent in Marion Square and pick up information on the outdoor Recreation opportunities that await you at the Sewee Visitor and Environmental Education Center, Cape Romain NWR and the Francis Marion NF.

February 17
Saturday
11:30 AM

Beach Drop on Bulls: Take Coastal Expeditions’ ferry to the North End of Bulls Island for a Day of shelling, photography, birding and bliss. This seldom-offered trip brings guests directly to one of the most secluded and pristine beaches in the world for shelling, birding, and a chance to reconnect with nature. For information and booking call 843.884.7684 or go to www.coastalexpeditions.com

February 24
Saturday
10:00 AM

Make Feeders For Our Feathered Friends: The quiet of winter is a good time to help our feathered friends with food resources. Make a bird feeder using the longleaf pine cone from the forest. Come to the Sewee Center and make a feeder to hang in your backyard. All materials for the feeder and seed are provided. You can join Naturalist John Galbary for a bird walk around Sewee to see some of our winter resident birds. Binoculars will be available for your walk. Call the Center at 843.928.3368 to register. FREE program!

Hours: Wednesday – Saturday
9:00 AM – 5:00 PM

Phone: 843-928-3368 for more details!
