FOR IMMEDIATE RELEASE:

The Bitter Lake National Wildlife Refuge and the Friends of Bitter Lake National Wildlife Refuge regrets to announce the cancellation of the 2020 Dragonfly Festival scheduled for September 12, 2020. Due to the COVID-19 pandemic and the restriction of large gatherings, the decision to cancel this popular event was based on public safety concerns. The refuge Visitor Center remains closed until further notice but the refuge auto tour route, hiking and biking trails remain open from sunrise to sunset. We plan to resume this annual event in September 2021. For more information contact the refuge at (575) 625-4011.
