Land Management Agencies to Implement Stage 1 Restrictions in Northern Idaho and Portions of Central Idaho

COEUR D'ALENE, ID – With the threat of wildfire danger increasing rapidly throughout many parts of northern and central Idaho, local land management agencies will implement Stage 1 Fire Restrictions beginning at 11:59 p.m. on June 30, 2015. Stage 1 Fire Restrictions will remain in effect until further notice. These restrictions are being implemented by agencies managing or providing wildland fire protection to public lands in the area, including the Bureau of Land Management (BLM), Clearwater Potlatch Timber Protective Association (CPTPA), the Coeur d'Alene Tribe, Idaho Department of Lands (IDL), the Nez Perce Tribe, the U.S. Forest Service (USFS), and the U.S. Fish and Wildlife Service (FWS). Fire restrictions are intended to decrease the chance of any preventable fires in the designated areas.

Stage I restrictions will be in effect in the following areas: (For a detailed map showing all Idaho Fire Restriction Areas, please visit: http://idahofireinfo.blogspot.com/p/fire-restrictions.html)

The following are exemptions to the Stage 1 Fire Restrictions:

- Persons with a written permit that specifically authorizes the otherwise prohibited act.
