

Fishing Information

North Tamarac, Wauboose and Two Island Lakes are open year-round under state and reservation regulations.

Blackbird and Lost lakes are open only during the State Season - mid-May through Labor Day.

Pine Lake is open to fishing from December 1 to March 31.

Bank fishing 50 yards either side of the Ottetail River bridges on County Roads 26 and 126 is permitted. No additional river areas are open to fishing.

Accessible fishing is available on the Ottetail River at Mitchell Bridge on Hwy 126.

Regulations of the Minnesota Department of Natural Resources and, where applicable, the White Earth Reservation are in effect regarding licensing, creel limits, tackle restrictions and season.

Species found here include Northern Pike, Walleye, Largemouth Bass, Bluegill, Pumpkinseed, Black Crappie, Yellow Perch, Black, Brown and Yellow Bullhead and White Sucker.

Personal watercraft and swimming are prohibited on refuge waters.

Fishing is restricted to those areas designated above.

Vehicles are permitted only on designated roads and trails.

Vehicles are not permitted on the ice.

Ice shelters may not be left overnight.

Blackbird Lake is open to non-motorized boats or electric boat motor use only.

Camping and overnight parking are not permitted on the refuge. All public use, including fishing, is limited to the hours of 5:00 a.m. to 10:00 p.m.

Fires are permitted only in the picnic area grills.
