Tour Descriptions

Dragonfly Tour

Our most popular tour!!! Join professional dragonfly experts and see some of over ninety species of dragonflies and damselflies that inhabit the refuge. Capturing wild specimens the guide will give you an up close experience with these fascinating insects.

Birding Tour

Join some of our local bird experts and discover some of over 350 bird species that visit the refuge. Nominated as a "Wetlands of International Importance", Bitter Lake National Wildlife Refuge provides an outstanding bird watching opportunity for both beginning and experienced bird watchers.

Kids Treasure Hunt

Kids will be guided on a wildlife treasure hunt to discover, learn about and handle a variety of plants and animals. The kids will also learn about animal capturing techniques used for biological studies on the refuge presented to them by specialized wildlife biologists. Kids and accompanying adults will have to earn/learn their way through the tour which will be a guaranteed fun experience.

Refuge Wildlife Tour

Join wildlife biologist on this hands on tour and experience the many wildlife species that call Bitter Lake National Wildlife Refuge their home. Visitors will be lead to a variety of wildlife field stations where they will observe some of the unique wildlife that inhabit the refuge. Stations include bird banding, fish trapping, and dragonfly capturing.
