

Discover Local Pollinators Event

**Saturday, April 30
9:30 a.m. – 12:00 p.m.**

**Hosted by
the Friends of Potomac River Refuges**

**Occoquan Bay National Wildlife Refuge
Main Parking Lot Pavilion
Dawson Beach Road, Woodbridge, VA**

Learn which native species pollinate and fertilize our fruits, vegetables, trees and flowers. Find out how singular bees and butterflies live and about the important jobs they do. Get gardening tips to attract butterflies and learn how to construct bee houses for your local pollinators.
