			<b>2022</b>	
<u>Unit</u>	<u>Grazing Period</u>	<u>AUMs</u>		<u>Grazable Acres</u>
G-2	May 1 - May 30	78		Approximately 60 acres
G-1	August 1 - August 30	102		Approximately 80 acres

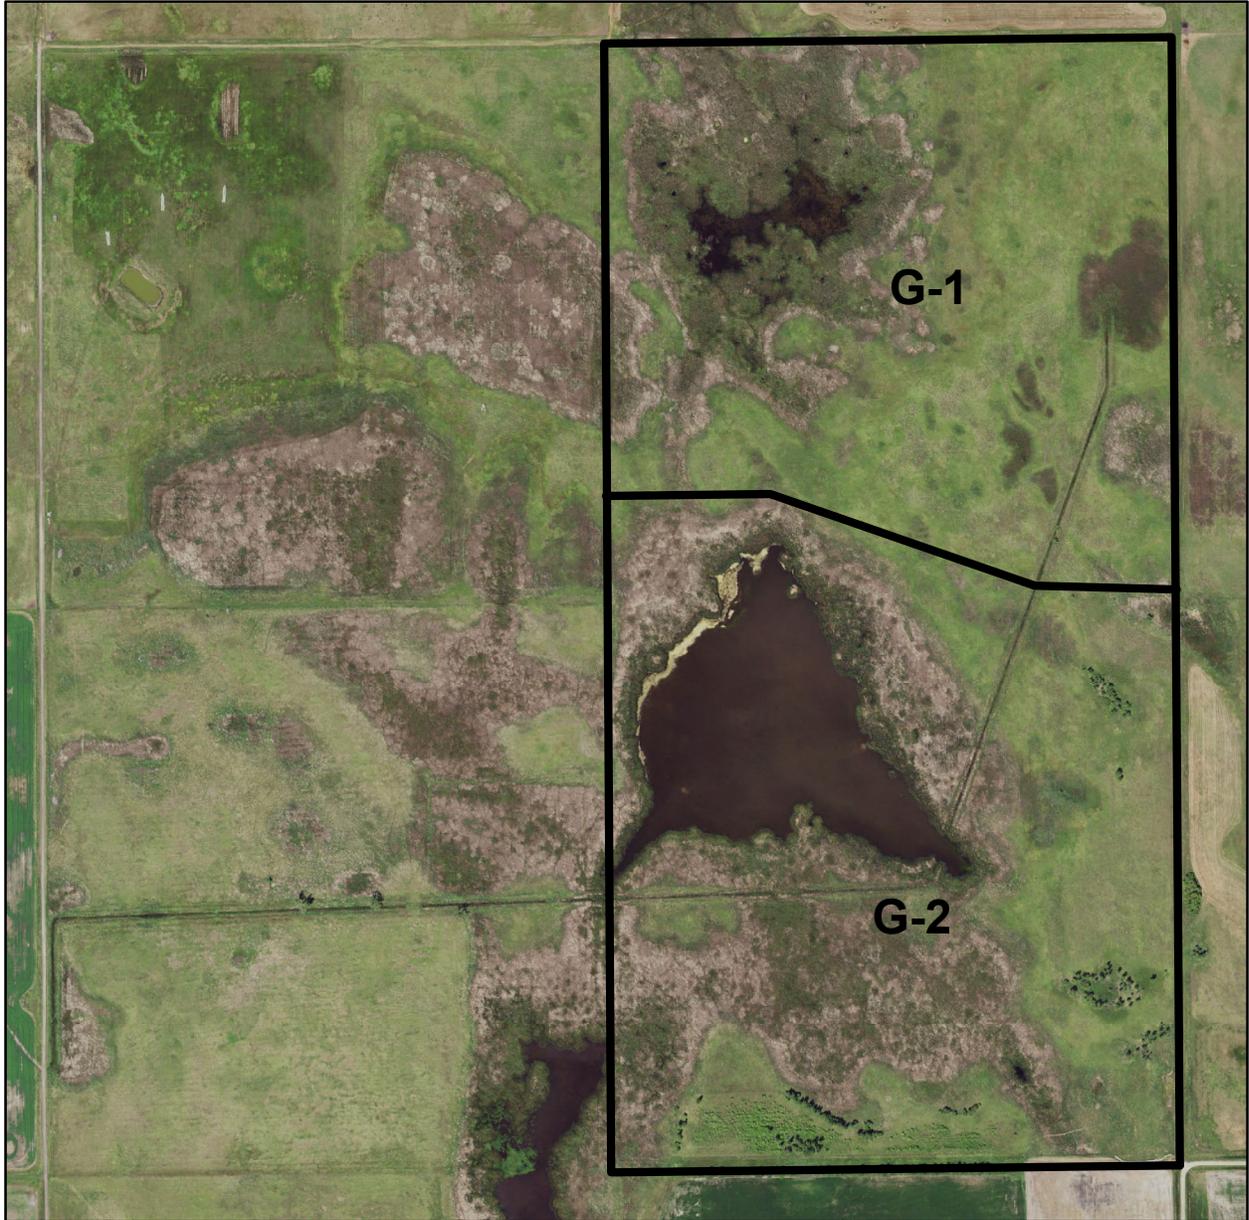

## Requirements

The cooperator will be required to maintain the fence. Cooperator is encouraged to check the condition of the fences prior to bidding. The boundary fences may be in poor condition and have been affected by water in recent years. This tract has a cross fence that should also be checked for condition. Should the cooperator choose to repair the permanent barbed wire fence, the materials will be provided by the US Fish & Wildlife Service. It is preferred that the cooperator use their own materials and keep track of what they use on the WPA and the US Fish & Wildlife Service will reimburse the cooperator for the materials. Should the cooperator choose to use electric fence, the cooperator will be required to use their own materials.

**Special Note:** Pay particular attention to water conditions and fence conditions and inspect the units prior to bidding.

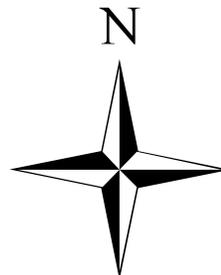

Provide a bid based on the entire grazing period. Please contact Natalie Vélez at 605-885-6265 with any questions.
